Pharmacopoeia or the British Pharmaceutical Codex are permissible. Rule 1 of these Rules places the National Formulary in the same position in this respect as those works. Rule 2 imposes the appropriate restrictions in respect of the poison tri-2(-chloroethyl)amine and its salts, now added to the Poisons List by the Poisons List Order, 1954 (S.I. 1954/266). Under the Poisons Rules, 1952, the poison sodium nitrite is exempted from the provisions of the Act and Rules except when in the form of preparations for the destruction of rats and mice: Rule 3 of these Rules extends the exemption to such preparations if they contain not more than 0·1 per cent. of the poison.

1954 No. 1096

The Poisons (No. 2) Rules, 1954

Made - - - -	12*th August*, 1954
Laid before Parliament	20*th August*, 1954
Coming into Operation	16*th September*, 1954

In pursuance of section twenty-three of the Pharmacy and Poisons Act, 1933(a), I hereby make the following Rules :—

1.—(1) In the principal Rules, in the list of phosphorus compounds—

(*a*) where that list occurs in sub-paragraph (*b*) of paragraph (2) of Rule 14, after the word "mipafox" there shall be inserted the words "(except when in the form of a cap on a stick or wire)";

(*b*) in each place where that list occurs, after the word "schradan" there shall be inserted the word "sulphotepp".

(2) In this Rule the expression "the list of phosphorus compounds" has the meaning assigned to it in the Schedule to these Rules.

2. In the First Schedule to the principal Rules (which specifies the poisons as respects which special restrictions apply as to the persons to whom they may be sold, and special requirements are imposed as to delivery) after the item "Ketobemidone; its salts" there shall be inserted the item "Laudexium; its salts".

3. In the Part of the Third Schedule to the principal Rules headed "Group III" (in which group is specified in the second column the substances or articles exempted, so far as concerns the poisons specified in the first column opposite thereto, from the provisions of Part II of the Pharmacy and Poisons Act, 1933, and of the principal Rules), at the end of the entry in the second column opposite to the list of anti-histamine substances in the first column, there shall be added the words "and preparations containing not more than one per cent. of anti-histamine substances for application in the nose or eye".

4. In the Ninth Schedule to the principal Rules (which sets out the form of application for entry in the list kept by a local authority under section twenty-one of the Pharmacy and Poisons Act, 1933, of persons entitled to sell poisons included in Part II of the Poisons List), in the note appended to the said form of application, in paragraph 6 of the summary of require-

(a) 23 & 24 Geo. 5. c. 25.

ments applying to all listed sellers of Part II poisons, for the words "(other than HETP and TEPP)" there shall be substituted the words "(other than mipafox in the form of a cap on a stick or wire, HETP and TEPP)".

5. In these Rules the expression "the principal Rules" means the Poisons Rules, 1952(a).

6. These Rules may be cited as the Poisons (No. 2) Rules, 1954, and shall come into operation on the sixteenth day of September, 1954.

David Maxwell Fyfe,
One of Her Majesty's Principal Secretaries of State.

Home Office,
Whitehall.
12th August, 1954.

Rule 1 (2)

SCHEDULE

The expression "the list of phosphorus compounds" means the list of phosphorus compounds set out in the principal Rules (whether or not that list in any particular place where it occurs comprises hexaethyl tetraphosphate and tetraethyl pyrophosphate) in—

(*a*) sub-paragraph (*b*) of paragraph (2) of Rule 14 (which specifies certain poisons which listed sellers of poisons are not entitled to sell unless the purchaser is engaged in the trade or business of agriculture or horticulture and the poison is required for the purposes thereof);

(*b*) the First Schedule (which specifies the poisons in respect of which special restrictions apply as to the person to whom they may be sold and special requirements are imposed as to delivery);

(*c*) the first column of that Part of the Third Schedule headed "Group II" (in which group are specified in the second column the substances or articles exempted, so far as concerns the poisons specified in the first column opposite thereto, from the provisions of Part II of the Pharmacy and Poisons Act, 1933, and of the principal Rules, the substances being, in the case of poisons in the list of phosphorus compounds, substances other than preparations for use in agriculture or horticulture);

(*d*) the first column of the Fifth Schedule (in which is specified in the second column the form to which the substances specified in the first column opposite thereto are restricted when sold by listed sellers of Part II poisons, the form being, in the case of poisons in the list of phosphorus compounds, preparations for use in agriculture or horticulture);

(*e*) paragraph 6 of the Seventh Schedule (which specifies the words with which the container of certain poisons must be labelled when sold);

(*f*) the Eighth Schedule (which specifies certain poisons in the transport of which special requirements, including labelling in the specified form, must be observed); and

(*g*) the Ninth Schedule (which sets out the form of application for entry on the list kept by a local authority of persons entitled to sell poisons included in Part II of the Poisons List), in the note appended to the said form of application, in the list of poisons in the said Part II.

EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

Under Rule 1 of these Rules the phosphorus compound known as mipafox will, when it is in the form of a cap on a stick or wire, cease to be subject to the restriction that it may not be sold by listed sellers of Part II poisons

(a) S.I. 1952/2086 (1952 II, p. 2443).

except to persons requiring it for the purposes of a trade or business of agriculture or horticulture in which they are engaged: Rule 4 makes a consequential amendment of the note appended to the form of application for entry in the list of sellers of Part II poisons. In addition, Rule 1 imposes the appropriate requirements and restrictions in respect of the phosphorus compound known as sulphotepp now added to Part II of the Poisons List by the Poisons List (No. 2) Order, 1954 (S.I. 1954/1095). Rule 2 imposes the appropriate restrictions on the sale of laudexium and its salts, also now added to the Poisons List by the above-mentioned Order. Rule 3 exempts preparations containing not more than one per cent. of anti-histamine substances for application in the nose or eye from the provisions of the Pharmacy and Poisons Act, 1933, and of the Poisons Rules, 1952.

POLICE

ENGLAND AND WALES

1954 No. 27

The Police Regulations, 1954

Made - - - - 14*th January*, 1954
Coming into Operation 14*th January*, 1954

I, the Right Honourable Sir David Maxwell Fyfe, one of Her Majesty's Principal Secretaries of State, in pursuance of the powers conferred on me by section four of the Police Act, 1919(a), hereby make the following Regulations:—

1. In paragraph (2) of Regulation 17 of the Police Regulations, 1952(b) (which prescribes the rates of overtime allowance)—

(*a*) in the case of a sergeant, for the sum of "5s. 8d." there shall be substituted the sum "6s. 2d.";

(*b*) in the case of a constable, for the sum "4s. 10d." there shall be substituted the sum "5s. 4d.";

(*c*) in the case of a woman sergeant, for the sum "5s. 1d." there shall be substituted the sum "5s. 6d."; and

(*d*) in the case of a woman constable, for the sum "4s. 6d." there shall be substituted the sum "4s. 11d.".

2. For the Table in paragraph (1) of Regulation 35 of the said Regulations (which prescribes the rates of detective duty allowance) there shall be substituted the following Table:—

"TABLE

Rank	Amount	
1	2	3
	Men	Women
Inspector	£54 a year	£47 a year
Sergeant	£47 a year	£41 a year
Constable	£40 a year	£35 a year "

(a) 9 & 10 Geo. 5. c. 46. (b) S.I. 1952/1704 (1952 II, p. 2480).
