EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Police Regulations 1965 and relate to the pay of members of police forces (up to and including the rank of superintendent) and to certain allowances.

The increases in pay and in detective duty and supplementary detective

allowances provided for in Part I of the Regulations only become payable to serving members of police forces on 19th November 1967 (Regulation 10(1)) but interim increases, provided for in Part II of the Regulations, become payable on 1st July 1967 (Regulation 11). By virtue of Regulations 10 and 11 (made in exercise of the power conferred by section 33(4) of the Police Act 1964) these increases have effect from 1st March 1967.

Part III of the Regulations, which relates to certain other allowances, comes into operation on, and has effect from, 1st July 1967. Regulation 4 increases the rates of supplementary rent allowances and Regulation 5 is consequential thereon. Regulation 6 provides for the application of the provisions relating to rent allowances to members of police forces nominated for university courses. Regulation 7 provides for the payment of undermanning allowances not only, as at present, to members of the City of London and metropolitan police forces but also to members of police forces for police areas designated " special areas " by the Secretary of State.
