EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Police Regulations 1965 in their application to the City of London and metropolitan police forces.

They provide that sergeants and constables in those forces shall be entitled, in lieu of the London allowance of £20 a year hitherto payable, to a pay supplement of £50 a year (a pay supplement, unlike an allowance, is pensionable).

They also provide that constables in those forces shall be entitled to an undermanning allowance of £30 a year during their first 3 years of service and of £65 a year thereafter.

In exercise of the power conferred by section 33(4) of the Police Act 1964 it is provided that the Regulations shall have effect as from 1st January 1966.
