EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

Under Rules 7 and 12 of the principal Rules the signed order or prescription which is required in the case of certain sales of poisons must state the total amount to be supplied; under Rule 1 of these Rules, where the substance is sold in ampoules, there will now be the alternative of stating either that amount or the total amount intended for administration or injection. Rules 3 to 6 of these Rules impose appropriate requirements and restrictions relating to the sales of certain substances now added to the Poisons List by the Poisons List Order, 1950.
