EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the Police (Grant) Order 1951 in its application to the City of London.

Article 5 of the 1951 Order, as originally made, provided that the grant payable under Article 1(1)(*a*)—namely a half of the police authority's net expenditure—should, in the case of the City of London police authority, be reduced by the product of a 4d. rate. The present Order substitutes for Article 5 a new Article which provides not for the reduction of grant by a rate product but that in relation to the City of London police authority Article 1(1)(*a*) should have effect as if it referred to a third, and not to a half, of the authority's net expenditure.
