EXPLANATORY NOTE

(This Note is not part of the Regulations.)

The Police Pensions Regulations 1971 (which apply in relation to policemen who ceased to serve before 1st April 1972) provide for discretionary increases in police widows' pensions where the widow would have been entitled to widow's benefit or a retirement pension under the Social Security Acts had her husband satisfied the contribution conditions therefor or where he died before 5th July 1948 (when the National Insurance Act 1946 (c. 67) came into operation).

These Regulations provide for the payment of a gratuity of £10 in the case of a policeman's widow in receipt of such a discretionary increase in her police widow's pension during the week beginning with 5th December 1977 if she is not entitled to a payment under section 1(1) of the Pensioners' Payments Act 1977.
