(*b*) in the summary of requirements applying to all listed sellers of Part II poisons, in paragraph 4, after the words "barium silicofluoride", in paragraph 5 after the word "dinoseb" and in paragraph 8 after the word "dinoseb"; and

(*c*) in the summary of additional requirements applying to listed shopkeepers, in paragraph 2 after the word "dinoseb".

9. In the Sixteenth Schedule (which sets out a list of poisons required to be coloured in certain cases) after the item "Halides of arsenic" there shall be inserted the item "2-Methoxycarbonyl-1-methylvinyl dimethyl phosphate".

EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

The principal amendments made by these Rules are as follows. Paragraph 1 of the Schedule makes some relaxation of the requirements as to the contents of prescriptions required for certain medicines when those medicines consist of preparations contained in the British National Formulary, and paragraph 5 (*a*) enables listed sellers of poisons to sell calcium arsenates in the form of preparations for use in agriculture or horticulture generally instead of only as insecticides and fungicides. The remaining paragraphs of the Schedule make appropriate alterations consequential upon the making of the Poisons List (No. 2) Order, 1958 (S.I. 1958/2122), and impose appropriate restrictions and requirements regarding substances now added to the Poisons List by that Order.
