CHAPTER ix

An Act to confer further powers on the Port of London Authority and for other purposes.

[27th June 1952.]

WHEREAS by the Port of London Act 1908 the Port of London Authority (hereinafter referred to as " the Port Authority ") were established for the purpose of administering preserving and improving the port of London and for other purposes in that Act set forth and by that Act (inter alia) the undertaking and powers of the London and India Docks Company and other undertakings and powers were transferred to and vested in the Port Authority and other powers were conferred on the Port Authority and other provisions were made with reference to the port of London:

And whereas by various subsequent Acts and Orders further powers were conferred on the Port Authority and the Port Authority have executed divers works for the improvement of the port of London:

And whereas by the Port of London (Consolidation) Act 1920 (hereinafter referred to as " the Act of 1920 ") the provisions of the various statutes by which or by reference to which the constitution powers rights authorities privileges duties and obligations of the Port Authority were then defined were amplified consolidated and amended as in that Act appearing:

And whereas it is expedient that the Port Authority should be authorised to acquire certain lands in the metropolitan borough of Stepney for the purposes of their undertaking:

And whereas by section 14 of the Port of London (Various Powers) Act 1932 it is provided that the total amount of money borrowed and to be borrowed by the Port Authority under

section 95 of the Act of 1920 shall not unless Parliament otherwise determines exceed forty-five million pounds (except by the amount payable on bills or bonds issued shortly before any other bills or bonds fall due in order to pay off such bills or bonds and except by the amount of any advances under section 98 of the Act of 1920) and it is expedient that the said borrowing powers of the Port Authority be increased:

And whereas it is expedient that certain of the dues rates tolls and charges which may be demanded and taken by the Port Authority should be increased and that further or new provision as in this Act contained should be made with respect thereto:

And whereas it is expedient that other powers be conferred on the Port Authority as in this Act contained and that the other provisions of this Act be enacted:

And whereas a plan showing the lands which may be acquired compulsorily under the powers of this Act and a book of reference to such plan containing the names of the owners or reputed owners lessees or reputed lessees and of the occupiers of those lands have been deposited with the clerk of the London County Council and are in this Act referred to respectively as "the deposited plan" and "the deposited book of reference":

And whereas the objects of this Act cannot be attained without the authority of Parliament:

May it therefore please Your Majesty that it may be enacted and be it enacted by the Queen's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

PRELIMINARY

Short and collective titles.

1.—(1) This Act may be cited as the Port of London Act 1952.

(2) The Port of London Acts 1920 to 1950 and this Act may be cited together as the Port of London Acts 1920 to 1952.

Interpretation.

2. In this Act unless the subject or context otherwise requires—

"the Act of 1920" means the Port of London (Consolidation) Act 1920;

"the Act of 1923" means the Port of London (Dock Charges) Act 1923;

"the Act of 1932" means the Port of London (Various Powers) Act 1932;

"the Act of 1950" means the Port of London Act 1950;

"the Port Authority" means the Port of London Authority;

"the tribunal" means the Lands Tribunal.

3. The Lands Clauses Acts so far as they are applicable for Incorporation the purposes of and are not inconsistent with or varied by this of Lands Act are hereby incorporated with and form part of this Act with Clauses Acts. the following exceptions and modifications:—

(*a*) Section 92 and sections 127 to 132 of the Lands Clauses Consolidation Act 1845 are not incorporated with this Act;

(*b*) The bond required by section 85 of the Lands Clauses Consolidation Act 1845 shall be under the seal of the Port Authority and shall be sufficient without the addition of the sureties mentioned in that section;

(*c*) The expression "the promoters of the undertaking" shall mean the Port Authority.

LANDS

Power to acquire lands.

4.—(1) Subject to the provisions of this Act the Port Authority may enter upon take and use for the general purposes of their undertaking the lands delineated on the deposited plan and described in the deposited book of reference.

(2) The powers of the Port Authority for the compulsory purchase of lands under this section shall cease on the thirty-first day of December nineteen hundred and fifty-five.

(3) Notwithstanding anything contained in this Act or shown on the deposited plan the Port Authority shall not under the powers of this Act enter upon take or use the lands numbered 11 and 12 on the deposited plan or either of those lands or any part thereof.

Correction of errors in deposited plan and book of reference.

5.—(1) If any omission misstatement or wrong description of any land or of the owner lessee or occupier of any land is found to have been made on the deposited plan or in the deposited book of reference the Port Authority after giving ten days' notice to the owner lessee and occupier of the land in question may apply to a metropolitan police magistrate for the correction thereof.

(2) If on any such application it appears to the magistrate that the omission misstatement or wrong description arose from mistake he shall certify the fact accordingly and shall in his certificate state the particulars of the omission or in what respect any matter is misstated or wrongly described.

(3) Any such certificate shall be deposited with the clerk of the London County Council and a copy thereof shall be deposited with the town clerk of the metropolitan borough of Stepney and thereupon the deposited plan and the deposited book of reference shall be deemed to be corrected according to the certificate and it shall be lawful for the Port Authority to take the land in accordance with the certificate.

(4) Any certificate or copy deposited under this section with any person shall be kept by him with the other documents to which it relates.

Acquisition of part only of certain properties.

6.—(1) For the purposes of this Act the following provisions of this section shall have effect in substitution for section 92 of the Lands Clauses Consolidation Act 1845.

(2) No person shall be required to sell a part only of any house building or factory or of a park yard or garden belonging to a house if he is willing and able to sell the whole of the house building factory park yard or garden unless the tribunal determines—

(*a*) in the case of a house building or factory that such part as is proposed to be taken can be taken without material detriment to the house building or factory; or

(*b*) in the case of a park yard or garden that such part as aforesaid can be taken without seriously affecting the amenity or convenience of the house to which it belongs.

(3) If the tribunal determines as aforesaid compensation shall be awarded in respect of any loss due to the severance of the part proposed to be taken in addition to the value of that part and thereupon the person interested shall be required to sell to the Port Authority that part of the house building factory park yard or garden.

Power to expedite entry.

7. At any time after serving a notice to treat in respect of any land that may be acquired compulsorily under this Act but not less than one month after giving the owner and occupier of the land notice of their intention to exercise the powers of this section the Port Authority may enter on and take possession of the land or such part thereof as is specified in the last-mentioned notice without previous consent and without compliance with sections 84 to 90 of the Lands Clauses Consolidation Act 1845:

Provided that the Port Authority shall pay the like compensation for land of which possession is taken under this section and the like interest on the compensation awarded as would have been payable if the provisions of those sections had been complied with.

Power to enter for survey or valuation.

8. Any person acting on behalf of the Port Authority and duly authorised by the Secretary of the Port Authority may at all reasonable times enter on any land that may be acquired compulsorily under this Act for the purpose of surveying or valuing the land:

Provided that no land shall be entered under this section unless the Port Authority not less than twenty-four hours before the first entry and not less than twelve hours before any subsequent entry have given notice to the owner and occupier of the land in manner provided by section 285 of the Public Health Act 1936.

Disregard of recent improvements and interests.

9. In determining any question of disputed compensation or purchase money in respect of land acquired under this Act the tribunal shall not take into account—

(*a*) any improvement or alteration made or building erected after the fifth day of December nineteen hundred and fifty-one; or

(*b*) any interest in the land created after the said date;

which in the opinion of the tribunal was not reasonably necessary and was made erected or created with a view to obtaining or increasing the compensation or purchase money.

Extinction of private rights of way.

10.—(1) All private rights of way over any land that may be acquired compulsorily under this Act shall as from the acquisition of the land whether compulsorily or by agreement be extinguished.

(2) Any person who suffers loss by the extinguishment of any right under this section shall be entitled to be paid by the Port Authority compensation to be determined in case of dispute under and in accordance with the Acquisition of Land (Assessment of Compensation) Act 1919 as amended by the Lands Tribunal Act 1949.

Stopping up of highways.

11.—(1) (*a*) The Port Authority may stop up the whole or such portion or portions as they think fit of the highways referred to in this subsection and shown on the deposited plan as intended to be stopped up and thereupon all rights of way and other rights in over or along the same shall be extinguished and the Port Authority may appropriate and use for the general purposes of their undertaking the sites of the highways or of the portion or portions thereof so stopped up.

(*b*) The highways hereinbefore referred to are Elbow Lane and Duke's Court in the metropolitan borough of Stepney.

(2) The Port Authority shall not under the powers conferred by this section stop up any portion of a highway unless the

Port Authority obtain the consent of the owners lessees and occupiers (if other than the Port Authority) of the lands fronting on both sides of such portion:

Provided that the Port Authority shall not be required to obtain any such consent in respect of any land on and of which they have entered and taken possession under section 7 (Power to expedite entry) of this Act or by agreement with the owners lessees and occupiers thereof.

(3) The Port Authority shall pay compensation to all persons interested in respect of any private rights of way extinguished by virtue of this section and such compensation shall in case of dispute be determined under and in accordance with the Acquisition of Land (Assessment of Compensation) Act 1919 as amended by the Lands Tribunal Act 1949.

(4) Notwithstanding the stopping up of Elbow Lane by this Act authorised the London County Council shall have all such rights of continuing and maintaining so much of the sewer of the council known as the Pennington Street sewer as is situate beneath Elbow Lane as they had immediately before the stopping up.

FINANCE

Limiting amount of money to be borrowed.

12.—(1) The total amount of money borrowed and to be borrowed by the Port Authority under the powers and for the purposes of section 95 (Powers of borrowing) of the Act of 1920 shall not unless Parliament otherwise determines exceed sixty-five million pounds except by the amount payable on bills or bonds issued shortly before any other bills or bonds fall due in order to pay off such bills or bonds and except by the amount of any advances under section 98 (Power to obtain advances) of the Act of 1920.

(2) Section 14 (Limiting amount of money to be borrowed) of the Act of 1932 is hereby repealed.

Saving for powers of Treasury.

13. It shall not be lawful to exercise the powers of borrowing conferred by this Act (other than the power of borrowing to pay the costs charges and expenses referred to in section 20 (Costs of Act) of this Act) otherwise than in compliance with any order for the time being in force made under section 1 of the Borrowing (Control and Guarantees) Act 1946.

RATES AND CHARGES

Rates on goods.

14. The First Schedule to this Act shall be substituted for Part II of the schedule to the Act of 1923 and section 3 (Rates on goods) of the Act of 1923 shall have effect as if the First Schedule to this Act was referred to therein instead of Part II of the schedule to the Act of 1923 and the Port of London Acts 1920 to 1952 shall be read and construed accordingly.

Increase of rates.

15.—(1) As from the passing of this Act the maximum amounts of the dues rates tolls and charges authorised by the provisions of the Acts specified in the first column of the Second Schedule to this Act (of which dues rates tolls and charges short particulars are contained in the second column of that schedule) shall respectively be increased by the percentage of the amounts thereof specified in the third column of that schedule and the Port of London Acts 1920 to 1952 shall be read and construed accordingly.

(2) Part I of the schedule to the Act of 1923 shall have effect as if in the last paragraph thereof the figures "9s. 4d." were substituted in both places for the figures "3s. 9d."

Dock tonnage rates and rents.

16. For the words "Dock tonnage rates—4s. 0d. per net register ton" in paragraph (i) of the Second Schedule to the Act of 1950 there shall be substituted the words "Dock tonnage rates—5s. 0d. per net register ton" and section 10 (Dock tonnage rates and rents) and section 11 (Charges for use of moorings) of the Act of 1950 and the enactments referred to in those sections shall have effect and be read and construed as if the words "Dock tonnage rates—5s. 0d. per net register ton" had been inserted in the said paragraph (i) as originally enacted.

Revision of rates.

17. Section 12 (Revision of rates) of the Act of 1950 shall be read and have effect as if for the reference in subsection (8) thereof to the Port of London Acts 1920 to 1950 there were substituted a reference to the Port of London Acts 1920 to 1952.

Repeal.

18. The following provisions of the Act of 1950 are hereby repealed:—

(*a*) subsection (1) of section 7 (Increase of rates) and the First Schedule except so far as they relate to the dues rates tolls and charges authorised by section 15 of the Act of 1920 and subsection (2) of section 16 of and the schedule to the Act of 1932;

(*b*) subsections (2) and (3) of the said section 7.

MISCELLANEOUS

Expenses of execution of Act.

19. All payments made by the Port Authority for the purposes of or in connection with the exercise of the powers of this Act shall be made out of the port fund or out of moneys borrowed for the purpose and any money received by the Port Authority in pursuance of or consequent on the exercise of the powers of this Act shall be carried to the credit of that fund.

Costs of Act.

20. All costs charges and expenses of and incident to the preparing for obtaining and passing of this Act shall be paid by the Port Authority out of the port fund.

PART VII

INTERPRETATION

"n.o.r." means not otherwise rated.

The services and accommodation covered by the wharfage and porterage rate are receiving the goods from land conveyance at berth where vessel is loading wharfage and placing on quay.

The rates to be chargeable on the gross weight or measurement.

Unless otherwise stated the rates to apply only to goods in packages.

Goods loose or in bulk to be liable to a rate exceeding by 50 per centum the rate set out in this schedule for such goods except where the said schedule contains a particular rate for such goods loose or in bulk.

1ST SCH. —*cont.*

Articles or goods in bottles tins or cans (unpacked) carboys demijohns jars jugs or such-like utensils or in tanks unless a rate is set out in this schedule for the article or goods as so contained to be chargeable under the scale applicable to articles or goods in such packages not otherwise rated.

The rates apply to pieces or packages not exceeding 30 cwt. each pieces or packages exceeding 30 cwt. each except as otherwise provided may be charged not less than the rates for heavy iron.

On packages exceeding £200 each in value the charges may be at the rates for valuable articles or goods not otherwise rated.

On any one line of goods on a shipping note where the charges calculated at the rates referred to in the last paragraph of this Part of this schedule would amount to less than 1s. 3d. a charge of 1s. 3d. may be made.

On any parcel where the charges calculated at the rates referred to in the last paragraph of this Part of this schedule would amount to less than 5s. 0d. a charge of 5s. 0d. may be made.

The rates referred to in the last two preceding paragraphs are the rates set out in Part I the rate per ton set out in Part II and the rates set out in Part VI of this schedule.

SECOND SCHEDULE

Provisions of Act	Short particulars of dues rates tolls and charges	Percentage increase
Section 45 of the Act of 1920	River duties of tonnage	One hundred and fifty per centum.
