The Clifton, Cromac, Duncairn, Falls, St. Anne's, Shankill, Windsor, and Woodvale Wards.

EXPLANATORY NOTE.

(This note is not part of the Order, but is intended to indicate its general purport)

This Order fixes the quota of arable land to be ploughed on each holding in Northern Ireland at three-tenths of the arable area. It also provides that in certain special areas mentioned in the Schedule the quota to be cultivated shall be one-fifth of the arable area of the holding. In County Fermanagh, one of the special areas, the Order provides for the dressing with artificial fertilisers of a proportion of the grassland and also makes it compulsory to apply the appropriate dressing to land planted with potatoes. Provision is also made for exemption of certain holdings from the full requirements of the Order if the Ministry of Agriculture is satisfied that the use of the land for a purpose other than the production of crops is of more service in increasing or maintaining food production.
