## EXPLANATORY NOTE

*(This Note is not part of the Regulations.)*

These Regulations exclude fresh, chilled or frozen beef and veal from the provisions of the Price Stabilisation Levies (Supplementary Provisions) Regulations 1964, and therefore enable fresh, chilled or frozen beef and veal subject to such levy to be warehoused without payment of levy if intended for home consumption as well as if intended for exportation and use as ship's stores.

The Regulations also enable the proprietor of warehoused fresh, chilled or frozen beef and veal to pay levy by reference to the quantity ascertained at the time of delivery for home use.
