Minister of Education.

EXPLANATORY NOTE

(This Note is not part of the Amending Regulation, but is intended to indicate its general purport.)

This is a purely drafting Amendment, as doubts have arisen whether a pupil who attains the age of ten at the beginning of the educational year can be said to be " between the ages of ten years and nineteen years at the beginning of the educational year ". The Amendment is proposed in order to remove any doubt as to the eligibility of such a pupil for grant.

The Amendment is shown in heavy type.
