EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Order amends the General Orders made under section 15 of the Private Legislation Procedure (Scotland) Act, 1936, which regulate the procedure for obtaining Parliamentary powers by way of Provisional Order in matters affecting Scotland.

The amendments correspond with amendments which have been made to Standing Orders of the House of Commons relative to Private Business and their principal effect is to dispense with the requirement of a Financial Memorandum in the case of a Provisional Order which contains provisions constituting a large burgh which may increase the amount of Exchequer Equalisation Grant under the Local Government Act, 1948, and to dispense with the requirement to print such provisions in italics in a draft Provisional Order. These requirements have already been dispensed with in the case of Bills to confirm Provisional Orders under the Private Legislation Procedure (Scotland) Act, 1936.

The Order also consolidates and amends that part of the General Orders which prescribes the public Departments with whom copies of Provisional Orders require to be deposited.
