M.H. 60.

The Minister of Health, in exercise of the powers conferred on him by sections 143 and 283 of the Public Health Act, 1936(a), and of all other powers enabling him in that behalf, hereby makes the following regulations:—

1.—(1) These regulations may be cited as the Public Health (Leprosy) Regulations, 1951, and shall come into operation on the twenty-second day of June, 1951.

(2) In these regulations, the following expressions have the respective meanings hereby assigned to them—

"district" includes the City of London and a metropolitan borough; and "local authority" includes the Common Council of the City of London and the council of a metropolitan borough.

(a) 26 Geo. 5 & 1 Edw. 8. c. 49. (b) S.R. & O. 1930 (No. 299) p. 1509.

(3) The Interpretation Act, 1889(a), applies to the interpretation of these regulations as it applies to the interpretation of an Act of Parliament.

2. These regulations shall be enforced and executed in every district by the local authority.

3. Every local authority shall send a copy of these regulations to each medical practitioner who after due enquiry is ascertained to be practising within the district.

4. Every medical practitioner attending on or called in to visit a patient suffering from leprosy in any building used for human habitation shall, as soon as he becomes aware that that person is so suffering, or if he is so aware at the date of the coming into operation of these regulations forthwith, send to the Chief Medical Officer of the Ministry of Health a certificate in the form set out in the schedule to these regulations.

5. Any medical practitioner who fails to send a certificate which he is required by these regulations to send shall be liable to a fine not exceeding forty shillings.
