DISABLED PERSONS TRANSPORT

The Rail Vehicle Accessibility (Anglia Railways Class 170/2 Vehicles) Exemption Order 1999

Made - - - -	*7th July 1999*
Laid before Parliament	*8th July 1999*
Coming into force	*29th July 1999*

The Secretary of State in exercise of the powers conferred on him by section 47 of the Disability Discrimination Act 1995**(a)** and of all other powers enabling him in that behalf, having consulted the Disabled Persons Transport Advisory Committee and such other persons as he considered appropriate in accordance with section 47(3) of the said Act, hereby makes the following Order:–

1. This Order may be cited as the Rail Vehicle Accessibility (Anglia Railways Class 170/2 Vehicles) Exemption Order 1999 and shall come into force on 29th July 1999.

2. Any reference in this Order to a numbered regulation is a reference to a regulation bearing that number in the Rail Vehicle Accessibility Regulations 1998**(b)**.

3. This Order applies to the rail vehicles which are numbered 50201 to 50208, 56201 to 56208 and 79201 to 79208 and which form the diesel multiple-units numbered 170201 to 170208 of the class known as "class 170/2" ("the exempted vehicles") as manufactured by ABB Daimler Benz Transportation (UK) Limited for use by Anglia Railways Train Services Ltd.

4.—(1) Subject to articles 5, 6 and 7 below, the exempted vehicles are hereby authorised to be used for carriage even though they do not conform with those provisions of the Rail Vehicle Accessibility Regulations 1998 referred to in paragraph (2) below.

(2) The provisions with which the exempted vehicles are not required to conform are–
regulation 4(3)(b), and
regulation 5, but only in so far as it relates to control devices which are not operated by the application of pressure and which do not control doors which are in the side of an exempted vehicle.

5.—(1) The exemption given in respect of regulation 4(3)(b) shall cease at the end of 31st December 2000.

(2) The exemption given in respect of regulation 5 shall cease at the end of 31st July 2000.

6. The exemption given in respect of regulation 5 shall apply in relation to any exempted vehicle only while instructions for the operation of any door which is operated by a control device to which the exemption relates are displayed on a sign:

(a) which is placed on or near that door and on the same side of that door as any such control device; and

(a) 1995 c. 50.
(b) S.I. 1998/2456.

(b) on which the letters, numbers or diagrams contrast with their background and are identifiable by touch.

7. The authorisation shall cease forthwith in respect of an exempted vehicle which is operated by a person other than Anglia Railways Train Services Ltd unless the Secretary of State has been given written notice in advance specifying the name and address of that other person.

Signed by authority of the Secretary of State for the
Environment, Transport and the Regions

Glenda Jackson
Parliamentary Under Secretary of State,
Department of the Environment,
Transport and the Regions

7th July 1999

EXPLANATORY NOTE

(This note is not part of the Order)

This Order authorises the use of specified rail vehicles forming Class 170/2 diesel multiple-units, although they do not conform with certain requirements of the Rail Vehicle Accessibility Regulations 1998 because warning sounds are emitted whenever the passenger doors in the sides of the vehicles are closed and passenger operation of some doors is by means of beam operated door sensors. It sets time limits on the authorisations and imposes conditions.
