EXPLANATORY NOTE

(This Note is not part of the Order.)

Schedule 8 to the General Rate Act 1967 contains a list of charitable institutions which are excluded from the mandatory rating relief of one-half conferred by section 40(1) of that Act. This list includes the Royal College of Advanced Technology (Salford) which, on 4th April 1967, by the grant of a Royal Charter, became the University of Salford. The present order makes a consequential amendment to Schedule 8 to the Act of 1947 by bringing in the new institution and omitting the reference to the old one.

Section 40(4) of the Act of 1967 provides that any order made under subsection (3) of the section may be made so as to have effect from a date not earlier than the beginning of the rate period in which it is made. In the case to which this order applies the rate period in which it is made begins on 1st April 1967 and this order has been made so as to have effect from 4th April 1967.
