EXPLANATORY NOTE.

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order, which is designed to terminate formally the continuance of the Teachers Registration Council, is necessitated by the changed conditions introduced by the Education Act, 1944, and by the falling off in applications for membership of the Royal Society of Teachers. The rights of existing members will be safeguarded by making suitable provision for the purpose under an Educational Trust.
