EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations amend the Road Vehicles (Index Marks) Regulations 1964, which allocated to certain Councils index marks to be assigned to vehicles upon their registration under the Vehicles (Excise) Act 1962. They allot to the Greater London Council and new County Councils, which come into being on the 1st April 1965, the index marks of dissolved County and County Borough Councils and make certain changes in the index marks allotted to existing County Borough and Burgh Councils.
