EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which is made under section 5(1) of the Statutory Instruments Act 1946, effects the revocation of the Road Vehicles Lighting (Amendment) (No. 2) Regulations 1975 following the presentation of an Address to Her Majesty by the Commons House of Parliament praying that the said Regulations be annulled. The revoked Regulations would have had the effect of requiring the headlamps of a motor vehicle to be kept lit when the vehicle was in motion during the hours of darkness on a road lit by a system of street lighting furnished by means of lamps placed not more than 200 yards apart.
