*(This note is not part of the Order but is intended to indicate its general purport.)*

This Order has the effect of extending the 30 m.p.h. speed limit at Randalstown to a section of the Randalstown-Antrim Trunk Road on which road works associated with the construction of the M.2 Motorway have commenced. Heavy motorway construction traffic will also begin to flow in the near future. It is intended to remove the restriction when works in the area are complete.
