Coming into Operation 2*nd February*, 1953

We, the Rule Committee of the Salford Hundred Court of Record, hereby make the following Rules:—

1. An Order and Rule referred to by number in these Rules means the Order and Rule so numbered in the Salford Hundred Court Rules, 1912(a), as amended in 1935 and again in 1939, and the Rules of the Salford Hundred Court of Record (Crown Proceedings), 1950(b).

2. The whole of Order LXV shall be revoked and the following Order and Rules substituted therefor:—

ORDER LXV

Costs

Costs to be in the discretion of the Court

1. Subject to the provisions of the Acts and these Rules, the costs of and incident to all proceedings in the Court shall be in the discretion of the Registrar or the Judge.

Personal liability of solicitor to pay costs

2. Where upon the trial of any action or proceeding it appears that the same cannot conveniently proceed by reason of the solicitor for any party having neglected to attend personally, or by some proper person on his behalf, or having omitted to deliver any paper necessary for the use of the Registrar or the Judge, and which according to the practice ought to have been delivered, such solicitor shall personally pay to all or any of the parties such costs as the Registrar or the Judge shall think fit to award.

Security for costs

3. In any action or proceeding in which security for costs is required, the security shall be of such amount, and be given at such times, and in such manner and form, as the Registrar or the Judge shall direct.

Security for costs by plaintiff temporarily in England or Wales

4. A plaintiff ordinarily resident out of England or Wales may be ordered to give security for costs, though he may be temporarily resident in England or Wales.

Bond as security for costs

5. Where a bond is to be given as security for costs, it shall, unless the Registrar or the Judge shall otherwise direct, be given to the party or person requiring the security, and not to an Officer of the Court.

Costs to be allowed on the scales

6. In actions and proceedings commenced after these Rules come into operation, solicitors shall be entitled to charge and be allowed the fees set forth in Appendix N, and no higher fees shall be allowed in any case, except such as are by this Order otherwise provided for ; and in actions and proceedings pending at the time when these Rules come into operation, to which the scale of costs previously in force was applicable, the same shall continue to be applied.

Application of Scales

7.—(1) For the regulation of solicitor's charges and disbursements other than Court fees there shall be three Scales, namely Scale 1, Scale 2, and Scale 3.

(2) The Scale of Costs applicable to a sum of money only shall be as follows:—

Sum of Money	Scale Applicable
Exceeding £2 and not exceeding £10 ...	Scale 1
Exceeding £10 and not exceeding £20 ...	Scale 2
Exceeding £20	Scale 3

(3) Where the sum of money does not exceed £2, no solicitor's charges shall be allowed unless a certificate is granted under Rule 8 of this Order.

Difficult question of law or fact

8. In any case tried in Court, with or without a jury, the Judge may certify that the determination of the question in dispute was of importance to a class or body of persons, or involved a difficult question of law, or a question of fact of exceptional complexity was involved, or that the decision of the Court affects issues between the parties beyond those directly involved in the proceedings, and in such case he may award costs on such Scale as he thinks fit.

Recovery of money

9. Subject to Rules 8 and 10 of this Order, the Scale of Costs in an action for the recovery of a sum of money only shall be determined :—

(*a*) as regards the costs of the plaintiff, by the amount recovered ; and

(*b*) as regards the costs of the defendant, by the amount claimed ; and

(*c*) as regards costs payable to a third party, by the amount claimed against him ; and

(*d*) as regards costs payable by a third party, by the amount recovered against him.

Counterclaim

10.—(1) Subject to the next succeeding paragraph, Rule 9 of this Order shall apply to a counterclaim as it applies to a claim.

(2) Where in one action a claim for a sum of money only and a counterclaim for a sum of money only are tried—

(*a*) if the plaintiff is awarded costs on both claim and counterclaim, the costs shall be on the scale applicable to the amount which the plaintiff

recovers on the claim, but if such amount is less than the counterclaim, the costs subsequent to the delivery of the counterclaim shall be on the scale applicable to the amount of the counterclaim ; and

(*b*) if the defendant is awarded costs on both claim and counterclaim, the costs shall be on the scale applicable to the amount which the defendant recovers on the counterclaim or the amount of the plaintiff's claim, whichever is the larger, but the costs prior to the delivery of the counterclaim shall be on the scale applicable to the amount of the claim :

Provided that the costs of work done solely in connection with the claim shall be on the scale applicable to the claim, and the costs of work done solely in connection with the counterclaim shall be on the scale applicable to the counterclaim.

Interpleader

11.—(1) Subject to Rules 13, 14, 15, 16 and 17 of Order LVII and Rule 8 of this Order, the Scale of Costs in interpleader proceedings under an execution shall be determined—

(*a*) as regards the costs of the claimant, by the amount of the value of the goods to which the claim is allowed plus the amount of the damages (if any) awarded ; and

(*b*) as regards the costs of the execution creditor, by the amount of the value of the goods seized plus the amount of damages (if any) claimed.

(2) In other interpleader proceedings the Registrar or the Judge may award costs on such Scale as he thinks just.

Garnishee proceedings

12. Subject to Rule 9 of Order XLV and Rule 8 of this Order, the Scale of Costs in garnishee proceedings shall be determined—

(*a*) as regards the costs of the judgment creditor by the amount recovered against the garnishee ; and

(*b*) as regards the costs of the garnishee or the judgment debtor, by the amount claimed by the judgment creditor.

Other proceedings

13. In any proceedings to which Rules 7, 8, 9, 10, 11, and 12 of this Order do not apply, the Registrar or the Judge may award costs on such Scale as he thinks fit.

Discretionary increases

14. All charges or disbursements which are discretionary shall, unless otherwise provided, be allowed at the discretion of the Registrar, who, in the exercise of such discretion shall take into consideration the other charges and disbursements to the solicitor and counsel, if any, in respect of the work to which the fee or allowance applies, the nature and importance of the action or proceeding, the amount involved, the interest of the parties, the general conduct and costs of proceedings and all other circumstances.

Allowance or disallowance of items by the Judge or Registrar

15.—(1) The Judge may in any action or proceeding direct the Registrar to allow or disallow on taxation any item in the Scales of Costs.

(2) Subject to any direction of the Judge, no item in the Scales of Costs shall be allowed on taxation if the Registrar is of opinion that it was not necessary to do the work or incur the expense to which the item relates.

Costs may be disallowed or ordered to be paid by solicitor on account of delay or misconduct

16. If in any case it shall appear to the Registrar or the Judge that costs have been improperly or without any reasonable cause incurred, or that by reason of any undue delay in proceeding under any judgment or order, or of any misconduct or default of the solicitor, any costs properly incurred have nevertheless proved fruitless to the person incurring the same, the Registrar or the Judge may call on the solicitor of the person by whom such costs have been so incurred to show cause why such costs should not be disallowed as between the solicitor and his client, and also (if the circumstances of the case shall require) why the solicitor should not repay to his client any costs which the client may have been ordered to pay to any other person, and thereupon may make such order as the justice of the case may require. The Judge may, if he thinks fit, refer the matter to the Registrar for inquiry and report and direct the solicitor to attend before the Registrar and take part in such inquiry.

Costs of solicitor guardian ad litem

17. Where the Registrar or the Judge appoints a solicitor to be guardian ad litem of an infant or person of unsound mind, he may direct that the costs to be incurred in the performance of the duties of such office shall be borne and paid either by the parties or some one or more of the parties to the action or proceeding in which such appointment is made, or out of any fund in Court in which such infant or person of unsound mind may be interested, and may give directions for the repayment or allowance of such costs as the justice and circumstances of the case may require.

Set-off for damages or costs

18. A set-off for damages or costs between parties may be allowed notwithstanding the solicitor's lien for costs in the particular action or proceeding in which the set-off is sought.

Counsel on Scale 1

19.—(1) Where costs are on Scale 1 no fee for counsel shall be allowed on taxation if the action or proceeding is heard by the Registrar unless the Registrar certifies that the case is fit for counsel.

(2) Where the Registrar so certifies, he may fix the fee which is to be allowed under Item 10 of the Scale.

Counsel in interlocutory application

20. Where costs are on Scale 2 or Scale 3, no fee for counsel shall be allowed on taxation in respect of an interlocutory application, unless the Registrar or the Judge before whom the application is heard certifies that the application is fit for counsel.

Certificate for increased charges and fees

21.—(1) Where the costs of any action or proceeding are on Scale 3 the Judge may certify that the action or proceeding is fit for the employment of more counsel than one.

(2) Where the costs of any action or proceeding are on Scale 2 or Scale 3 and the Judge is satisfied from the nature of the case or the conduct of the proceedings that the costs which may be allowed may be inadequate in the circumstances, he may direct that the Registrar on taxation shall not be bound by the amounts appearing in the Scale in respect of the items specified in the next succeeding paragraph.

(3) Where a direction has been given under the last preceding paragraph, the Registrar may, if he thinks fit, allow on taxation such larger sums as he thinks reasonable in respect of all or any of the following items, namely:—Items 1, 2, 3, 4, 10, 11, 12, 29 and 31.

(4) If in any particular action the Registrar is satisfied that the solicitor's charge on trial or arbitration or reference before him for attendance at Court and conducting the action without counsel ought not to be limited to the amount appearing in the Scale, and certifies to that effect at the hearing, the fee to be allowed on taxation shall be such larger sum as the Registrar thinks reasonable.

Plans, photographs, etc.

22. There may be allowed for the preparation of any plan, drawing, chart, photograph or model, and of any copies thereof prepared, for the purpose of any action or proceeding, the sum reasonably paid for the same not exceeding, unless by order of the Judge, the sum appearing in the Scale on which the costs are being taxed.

Where no provision in Scale

23. Where costs are taxed on Scale 2 or Scale 3, in an action or proceeding for which no provision is made in the Scale, reasonable costs may be allowed on taxation not exceeding those fixed by the Scale for proceedings of a similar nature.

Scale items only allowable

24. Subject to Rule 23 of this Order, no item shall be allowed on taxation between party and party which is not contained in the Scales.

Apportionment of costs

25. Where judgment is given with costs against two or more defendants separately, the Registrar may on taxation, subject to any direction of the Judge, apportion any item of costs between the defendants as he thinks fit.

Solicitor in person

26. Where a solicitor who is a party to any action or proceeding acts in person and is awarded costs, he shall be entitled on taxation to the same costs as if he had employed a solicitor, except in respect of items which the fact of his acting in person renders unnecessary.

Where counsel disallowed

27. Where a party appearing by counsel is awarded costs, but the costs of employing counsel are not allowed, he may be allowed such costs as he might have been allowed if he had appeared by a solicitor and not by counsel.

Compensation for loss of time

28. Where on the hearing of an action or proceeding a party to the action or proceeding or any other person attends the Court as a witness of fact, or as a witness producing a document, there may be allowed in respect of his attendance such sum as the Judge or Registrar thinks reasonable, not exceeding the sum prescribed in Column 2 of Schedule E in Appendix N for a person of the class to which he belongs:

Provided that the sum allowed shall not, unless the Court otherwise orders, exceed the sum prescribed in Column 1 of Schedule E in Appendix N where

(*a*) a witness or party has lost no wages, earnings or other income attending Court: or

(*b*) the period during which the witness has been away from home or in respect of which he has lost wages, earnings or other income by reason of his attendance does not exceed 4 hours.

Expert Witnesses

29.—(1) Where a person attends the Court as an expert witness or attends as a witness of fact and, being called upon to do so, gives in evidence his opinion as an expert, a fee may be allowed in respect of his attendance and in addition, if the Judge or Registrar thinks fit, a fee for qualifying to give evidence:

Provided that no fee as an expert witness may be allowed in respect of a person attending the Court only to prove the correctness of a plan, drawing, chart, photograph or model.

(2) The fee for qualifying to give evidence shall be such sum as the Registrar thinks reasonable, not being more than 3 guineas, and the fee for attending the Court shall be such sum as the Registrar thinks reasonable, not being more than 8 guineas nor less than the sum appearing in Schedule E of Appendix N as compensation for loss of time for a person of the class to which the expert witness belongs:

Provided that if in any particular case the Judge certifies that the fee for qualifying to give evidence or for a report in writing or for attending the Court ought not to be so limited, the fee to be allowed on taxation shall be such larger sum as the Registrar thinks reasonable.

(3) The Judge or Registrar may, if he thinks fit, allow the fee for qualifying to give evidence, notwithstanding that the witness does not attend the trial.

(4) Where a report in writing has been obtained from an expert witness who is not entitled to a qualifying fee, the Registrar may if he thinks such a report was reasonably necessary allow a fee of not exceeding 3 guineas therefor.

Travelling and hotel expenses

30. There may be allowed in respect of a witness or party who has attended the hearing of the action or proceeding, in addition to any sum allowed under Rule 28 or Rule 29 of this Order, any expenses which the witness or party has actually and reasonably incurred in travelling to and from the Court or in staying at an hotel.

Attendance in more than one action

31. Where a witness or party attends the Court in respect of two or more actions or proceedings, the sum which might be allowed to such witness or party under Rule 28 or Rule 30 of this Order in respect of one action or proceeding may be apportioned between the several actions or proceedings.

Witness not called

32. Allowances may be made to a witness whether such witness was called or not, if the attendance of such witness was necessary.

Seaman detained

33. A seaman necessarily detained on shore for the purpose of an action or proceeding may be allowed such sum as the Registrar thinks reasonable in respect of such detention.

Taxation between party and party

34.—(1) Where any party obtains an order or judgment for his costs to be taxed, he shall within 14 days of the making of the order or judgment for costs or such further time as may be allowed by the Registrar or by consent under Rule 4 of Order LXIV lodge a bill of costs with all necessary vouchers and papers, and obtain an appointment for taxation and serve on the other party a copy of the bill of costs, and give him not less than one clear day's notice of the appointment.

(2) In a bill of costs the solicitor's charges shall be entered in a separate column from the disbursements.

(3) Where a party to an action or proceeding entitled to costs fails to comply with the requirements of paragraph (1) of this Rule, within the time limited thereby or such further time as may have been allowed by the Registrar or by consent under Rule 4 of Order LXIV or in any way delays or impedes taxation, the Registrar may:—

(*a*) disallow the costs of and incident to the preparation of the bill and the taxation of the costs ; and

(*b*) fix and allow such sum as he thinks reasonable for that party's costs of the action or proceeding, and tax and allow the costs of the other party (if any).

Fractional or gross sum for costs

35. In any case where the Registrar or the Judge shall think fit to award costs to any party, he may by the order direct taxation of the costs of such party and payment of a proportion thereof, or direct payment of a sum in lieu of taxed costs, and direct by and to whom such proportion or sum shall be paid.

Set-off of costs

36. In any action or proceeding in which a party entitled to receive costs is also liable to pay costs the Registrar may—

(*a*) tax the costs which that party is liable to pay, and adjust them by way of deduction or set-off and direct payment of any balance ; or

(*b*) delay the allowance of costs which such party is entitled to receive, until the costs which such party is liable to pay have been paid.

Meaning of folio

37. A folio is to comprise 72 words, every figure comprised in a column, or authorised to be used, being counted as one word.

Taxation, where action, &c., dismissed with costs

38. Where an action is dismissed with costs, or a motion is refused with costs, or any costs are by any general or special order directed to be paid, the Registrar may tax such costs without any order referring the same for taxation, unless the Judge, upon the application of the party alleging himself to be aggrieved, prohibits the taxation of such costs.

Objections to taxation

39. Any party who may be dissatisfied with the allowance or disallowance by the Registrar, in any bill of costs taxed by him, of the whole or any part of any items, may, at any time before the certificate or allocatur is signed, or such earlier time as may in any case be fixed by the Registrar, deliver to the other party interested therein, and carry in before the Registrar, an objection in writing to such allowance or disallowance, specifying therein by a list, in a short and concise form, the items or parts thereof objected to, and the grounds and reasons for such objections, and may thereupon apply to the Registrar to review the taxation in respect of the same. The Registrar may, if he shall think fit, issue, pending the consideration

of such objection, a certificate of taxation or allocatur for or on account of the remainder of the bill of costs, and such further certificate or allocatur as may be necessary shall be issued by the Registrar after his decision upon such objections.

Review of taxation by Registrar

40. Upon such application the Registrar shall reconsider and review his taxation upon such objections, and he may, if he shall think fit, receive further evidence in respect thereof, and, if so required by either party, he shall state either in his certificate of taxation or allocatur, or by reference to such objection, the grounds and reasons of his decision thereon, and any special facts or circumstances relating thereto.

Review of Registrar's certificate by the Judge

41. Any party who may be dissatisfied with the certificate or allocatur of the Registrar, as to any item or part of an item which may have been objected to as aforesaid, may within fourteen days from the date of the certificate or allocatur or such other time as the Registrar at the time he signs his certificate or allocatur may allow, apply to the Judge for an order to review the taxation as to the same item or part of an item, and the Judge may thereupon make such order as he may think just; but the certificate or allocatur of the Registrar shall be final and conclusive as to all matters which shall not have been objected to in manner aforesaid.

Evidence on reviewal

42. Such application shall be heard and determined by the Judge upon the evidence which shall have been brought in before the Registrar, and no further evidence shall be received upon the hearing thereof, unless the Judge shall otherwise direct.

Defendant's costs, where trial comes on but action cannot be tried

43. Where an action or proceeding which stands for trial is called on to be tried, but cannot be decided by reason of a want of parties or other defect on the part of the plaintiff, and is therefore struck out of the paper, and the same is again set down, the defendant shall be allowed the taxed costs occasioned by the first setting down, although he does not obtain the costs of the action or proceeding.

Power of Registrar to limit or extend time

44. The Registrar shall have power to limit or extend the time for any proceeding before him, and where, by any general order, or any order of the Judge, a time is appointed for any proceeding before or by the Registrar on taxation, unless the Judge shall otherwise direct the Registrar shall have power from time to time to extend the time appointed upon such terms (if any) as the justice of the case may require, and, although the application for the same is not made until after the expiration of the time appointed, it shall not be necessary to make a certificate or order for this purpose, unless required for any special purpose.

Indorsement on bill of costs

45. Every bill of costs which shall be left on taxation shall be indorsed with the name and address of the solicitor by whom it is so left, and also the name and address of the solicitor, if any, for whom he is agent, including any solicitor who is entitled or intended to participate in the costs to be so taxed.

Scales of costs generally

46. Subject to the foregoing Rules the Scales of Costs in force in this Court appear in Appendix N and the Fees to be paid in any action or proceeding appear in Appendix O.
