Coming into Operation 8th November, 1951
**To be laid before Parliament.*

The Minister of Education in exercise of the powers conferred upon him by Section 100 of the Education Act, 1944(a), hereby makes the following Regulations:—

1. These Regulations may be cited as the Schools Grant Amending Regulations No. 1, 1951, and shall come into operation on the 8th day of November, 1951.

2. The existing Regulations hereby amended are the Schools Grant Regulations, 1951(b).

3. The following paragraph is hereby substituted for paragraph (1) of Regulation 47 of the existing Regulations which provides for capitation grants for pupils in any upper school, that is to say a direct-grant Grammar School or part of such a school which is organised mainly for senior pupils:—

"(1) Subject to the provisions of these Regulations a capitation grant in respect of each pupil in the upper school will be payable by the Minister for each educational year during which such pupil attends the upper school not being an educational year before that in which his **eleventh** birthday falls or after that in which his **nineteenth** birthday falls. The full yearly rate of the capitation grant will be £26, but that rate will be proportionately reduced for periods of attendance amounting to less than the full number of terms in the educational year."

Given under the Official Seal of the Minister of Education this 29th day of October, 1951.

(L.S.)

G. G. Williams,
Deputy Secretary to the Ministry of Education.

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

The purpose of these amending Regulations is to correct an error in the Regulations regarding the age-limits between which capitation grant is payable in respect of pupils in Direct-Grant Grammar Schools.
