(This Note is not part of the Order.)

This Order prohibits fishing by fishing boats registered in any of the countries mentioned in column 1 of Schedule 2 to this order in the areas specified in the order in relation to those countries for sea fish specified in relation to those areas during 1st June to 30th June 1977, both dates inclusive, unless authorised by a licence granted by one of the fisheries Ministers. The areas to which the order applies are those statistical areas of the International Council for the Exploration of the Sea or parts of those areas which are referred to in column 1 of Schedule 1 to the order except that the order has no application to any part of those ICES areas which is within 12 miles from the baselines from which the breadth of the territorial sea adjacent to the United Kingdom, the Channel Islands and the Isle of Man is measured or which is outside British fishery limits. (Fishing by fishing boats of the above countries in the remaining areas within British fishery limits—or in the areas specified by this order for other descriptions of sea fish—is prohibited under section 2(2) of the Fishery Limits Act 1976 as the remaining areas and other sea fish are not designated under section 2(1) of that Act in relation to those countries).
