EXPLANATORY NOTE

(*This Note is not part of the Regulations.*)

These Regulations amend the Seed Potatoes (Scotland) Regulations 1963 by substituting a new Regulation relating to the particulars to be given on the sale of certified seed potatoes, other than in the case of retail sales of less than 1 hundredweight, and to the manner in which such particulars are to be given.

The principal Regulations, as amended, permitted some of these particulars to be given, up to 1st August 1965, either on a label attached to, or by being marked on, bags and some other containers, but on and after 1st August 1965 they were only to be marked on the bags and containers. The present amendment of the Regulations allows such particulars to continue to be given after 1st August 1965 either on a label or by marking the bags and containers.
