EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Ships' Stores (Charges) Order, 1952, as amended, imposed charges on persons supplying canned corned meat, bacon and certain other foods to foreign-going ships for consumption outside United Kingdom ports, thereby enabling subsidies to be recovered. This amending Order removes the charge on canned corned meat which is now unsubsidised, and relates the charge on bacon to the current rate of subsidy.
