(*This Note is not part of the Regulations.*)

These regulations amend the Social Security (Unemployment, Sickness and Invalidity Benefit) Regulations 1975 ("the principal regulations").

Regulation 2 amends regulation 19 of the principal regulations so that it will no longer be an additional condition with respect to the receipt of unemployment benefit by seasonal workers that they were registered for employment with the Manpower Services Commission or a local education authority for so much of the 2 years before they claim benefit as they were seasonal workers and were unemployed.
