1963 No. 678

SUGAR

The Sugar Beet (Research and Education) Order 1963

Made - - - -	*28th March*, 1963
Laid before Parliament	*29th March* 1963
Coming into Operation	*1st April* 1963

The Minister of Agriculture, Fisheries and Food and the Secretary of State in exercise of the powers conferred upon them by subsections (1) and (2) of section 18 of the Sugar Act 1956(a), and of all other powers them enabling in that behalf, after consultation with the British Sugar Corporation Limited and with such bodies as in their opinion are substantially representative of growers of home-grown beet and having prepared a programme for carrying out research and education in matters affecting the growing of home-grown beet, hereby jointly make the following order:—

1.—(1) This order may be cited as the Sugar Beet (Research and Education) Order 1963; and shall come into operation on 1st April 1963.

(2) The Interpretation Act 1889(b), shall apply to the interpretation of this order as it applies to the interpretation of an Act of Parliament.

2. The programme of research and education set out in the Schedule to this order together with the expenditure estimated to be incurred in carrying it out shall be the programme for the year beginning on 1st April 1963.

3. The contributions from the British Sugar Corporation Ltd. (hereinafter referred to as "the Corporation") and every grower of home-grown beet who delivers beet to the Corporation during the year beginning on 1st April 1963, towards defraying the expenditure to be incurred in carrying out the aforesaid programme shall be assessed as follows:—

(*a*) in the case of any grower of home-grown beet, the contribution shall be at the rate of threepence for every ton of home-grown beet sold by him for delivery to the Corporation in that year;

(*b*) in the case of the Corporation the contribution shall be at the rate of threepence for every ton of home-grown beet purchased by them for delivery in that year.

4.—(1) All contracts made between the Corporation and any grower for the sale of home-grown beet for delivery to the Corporation during the year beginning on 1st April 1963, shall specify the aforesaid rate of contribution and provide that the total amount of the contribution shall be payable by the grower to the Corporation out of any sums standing to the credit of that grower in account with the Corporation and be deducted by the Corporation from the amount payable to the grower.

(2) The Corporation shall pay the proceeds, together with the amount of the contribution from the Corporation assessed in accordance with subparagraph (*b*) of Article 3 of this order, to the Minister of Agriculture, Fisheries and Food within that year.

(a) 4 & 5 Eliz. 2. c. 48. (b) 52 & 53 Vict. c. 63.

5. The amount of any contribution which has not been paid to the Minister of Agriculture, Fisheries and Food during the year within which it is due shall become a debt due to that Minister.

In Witness whereof the Official Seal of the Minister of Agriculture, Fisheries and Food is hereunto affixed on the 27th March 1963.

(L.S.) *Christopher Soames,*
Minister of Agriculture, Fisheries and Food.

Given under the Seal of the Secretary of State for Scotland on the 28th March 1963.

(L.S.) *Michael Noble,*
Secretary of State for Scotland.

SCHEDULE

Projects of research and education in matters affecting the growing of home-grown beet to be carried out by the persons or bodies described in relation thereto and estimates of expenditure to be incurred in carrying them out.

	£	£
A. RESEARCH		
1. Plant Breeding: Plant Breeding Institute, Cambridge		15,597
2. Variety Trials: National Institute of Agricultural Botany		10,800
3. Pests Investigations: School of Agriculture, Cambridge		4,137
4. Diseases Investigations and Fertilizer Experiments: Rothamsted Experimental Station (Broom's Barn)		43,532
5. Crop Husbandry: Norfolk Agricultural Station ...		6,912
6. Machinery and Cultivation Experiments: National Institute of Agricultural Engineering		5,575
7. Scottish Trials and Experiments		2,750
8. Physiology:—		
(*a*) Imperial College of Science and Technology, London	1,712	
(*b*) Rothamsted Experimental Station	3,033	
(*c*) School of Agriculture, University of Nottingham	2,151	6,896

13. Institut International de Recherches Betteravières:—		
(*a*) Subscriptions	635	
(*b*) Expenses—Visits, etc.	700	1,335
14. Capital Development of Broom's Barn Experimental Station		3,500
15. Contingencies		481
Total		127,000

EXPLANATORY NOTE

(This Note is not part of the order, but is intended to indicate its general purport.)

This order provides for the assessment and collection of contributions in 1963 from the British Sugar Corporation Ltd. and growers of home-grown beet towards the programme of research and education set out in the Schedule to the order. The contributions in 1963 remain at 3d. per ton.

As well as including investigations and experimental work on the subjects listed in the Schedule, the programme provides for the final stage in the capital development by Rothamsted Experimental Station of the new Field Station at Broom's Barn, Higham, near Bury St. Edmunds.
