SUGAR

The Sugar Beet (Research and Education) Order 1984

Made - - - -	*2nd March* 1984
Laid before Parliament	*9th March* 1984
Coming into Operation	*1st April* 1984

The Minister of Agriculture, Fisheries and Food and the Secretary of State for Wales, acting jointly, in exercise of the powers conferred by section 18(1) and (2) of the Sugar Act 1956**(a)**, and now vested in them**(b)**, and of all other powers enabling them in that behalf, after consultation in accordance with subsection (1) of the said section with British Sugar p.l.c. and with such bodies as in their opinion are substantially representative of growers of home-grown beet, and having prepared a programme for carrying out research and education in matters affecting the growing of home-grown beet as required by the said subsection, hereby make the following order:—

Title, commencement and interpretation

1.—(1) This order, which extends to England and Wales only, may be cited as the Sugar Beet (Research and Education) Order 1984, and shall come into operation on 1st April 1984.

(2) In this order—

"the company" means British Sugar p.l.c.;

"the Minister" means the Minister of Agriculture, Fisheries and Food;

"the year 1984–5" means the year beginning on 1st April 1984.

Programme of research and education for 1984–5

2. The programme of research and education set out in the Schedule to this order, together with the estimate therein contained of the amount of the expenditure to be incurred in carrying it out, shall be the programme for the year 1984–5.

(a) 1956 c. 48.

(b) In the case of the Secretary of State for Wales, by virtue of S.I. 1978/272.

Assessment of contributions

3. The contributions from the company, and from every grower of home-grown beet who delivers beet to the company during the year 1984–5, towards defraying the expenditure to be incurred in carrying out the programme for that year shall be assessed as follows:—

(*a*) in the case of any grower of home-grown beet the contribution shall be at the rate of 10.0p for every tonne of home-grown beet sold by him for delivery to the company in that year;

(*b*) in the case of the company, the contribution shall be at the rate of 10.0p for every tonne of home-grown beet purchased by the company in that year.

Provision to be made in contracts, and recovery of contributions by the Minister

4.—(1) All contracts made between the company and any grower for the sale of home-grown beet for delivery to the company during the year 1984–5 shall provide that the total amount of the grower's contribution assessed in accordance with the foregoing provisions of this order shall be payable by the grower to the company out of any sums standing to the credit of that grower in account with the company and be deducted by the company from the amount payable to the grower.

(2) The company shall pay the proceeds, together with the amount of the contribution from the company assessed in accordance with paragraph (*b*) of article 3 of this order, to the Minister on or before 30th April 1985.

(3) The amount of any contribution which has not been paid to the Minister by the date on which it has become due for payment shall be recoverable by him summarily as a civil debt.

In witness whereof the Official Seal of the Minister of Agriculture, Fisheries and Food is hereunto affixed on 2nd March 1984.

L.S.

Michael Jopling,
Minister of Agriculture, Fisheries and Food.

Nicholas Edwards,
Secretary of State for Wales.

27th February 1984.

4. Other items:		
(a) Visits	905	
(b) Contingencies	50,000	
		50,905
Total		1,498,582

EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This order provides for the assessment of contributions for the year 1984–5 (as is required to be done annually by section 18 of the Sugar Act 1956), and their collection from British Sugar p.l.c. and growers of sugar beet in England and Wales during that year, towards the cost of the programme of research and education set out in the Schedule to the order. The contributions are increased from 9.0p per tonne of beet bought and sold to 10.0p per tonne.
