EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport)

Rule 8(*c*) of the Superannuation (Allocation of Pension) Rules 1950 precluded a retired civil servant who, being under 70 years of age and marrying after retirement, became eligible to allocate a part of his pension from surrendering a smaller amount of his pension than would secure for his wife after his death a pension equal to one-fourth of the amount of the pension (as reduced by the amount surrendered) payable to him. These Rules remove this restriction.
