Allocation of Pension, p. 414 | *Gratuities and Allowances*, p. 416

Allocation of Pension

THE SUPERANNUATION (ALLOCATION OF PENSION) RULES (NORTHERN IRELAND), 1947, DATED 16TH JULY, 1947.

1947. No. 124

The Ministry of Finance (hereinafter referred to as " the Ministry ") in pursuance of the powers conferred on it by section two of the Superannuation Act (Northern Ireland), 1935, and by section two of the Superannuation Act, 1935, passed by the Parliament of the United Kingdom, as applied to existing Irish Officers within the meaning of the Government of Ireland Act, 1920, by the Superannuation Act (Application to Northern Ireland Officers) Order, 1936 and of all other powers enabling it in that behalf hereby makes the following rules :—

1. These rules may be cited as the Superannuation (Allocation of Pension) Rules (Northern Ireland), 1947, and the Superannuation (Allocation of Pension) Rules (Northern Ireland), 1936, and these Rules may be cited together as the Superannuation (Allocation of Pension) Rules (Northern Ireland), 1936 and 1947, and these Rules shall be construed as one with the Superannuation (Allocation of Pension) Rules (Northern Ireland), 1936, (hereinafter referred to as the " Principal Rules ").

2. Where it is shewn to the satisfaction of the Ministry that by reason of the beneficiary's inability through infirmity or other sufficient cause, he is unable to write his signature as required by Rules 11 and 16 of the Principal Rules, the Ministry may, if it thinks fit, dispense with the beneficiary's signature, subject to such conditions as it may deem desirable.

3. Where a retiring officer has declared a desire to surrender an amount of his pension which is more than one-third of his pension contrary to the requirements of Rule 8 of the Principal Rules, then the Ministry may make an award as if the officer had declared a desire to surrender the maximum amount which he is allowed to surrender under the Principal Rules.

4. Where the Ministry is satisfied that as a result of exceptional circumstances beyond the control of an officer eligible to make an allocation, it is not, or has not been, practicable for that officer to carry through in due time all the steps necessary to enable him to make an allocation, then the Ministry may appoint a special closing date for the purpose of these Rules.

5. When, on considering the result of the medical examinations provided for under Rule 13 of the Principal Rules in conjunction with the officer's sick leave record, the Civil Service Commissioners for Northern Ireland (in these Rules referred to as " the Commissioners ") are not satisfied that the officer is of good health, but it appears to the Commissioners that the disability from which the officer is suffering may be temporary and that there is a good prospect that the officer would be shown to be in good health if examined again after a short interval, than the Ministry may, at the request of the Commissioners, appoint a special closing date in order that a further medical examination may be arranged accordingly at a later date. Any fee required for such further medical examination shall be paid by the Commissioners.

6. Paragraph (3) of Rule 13 of the Principal Rules shall be amended by the omission of the words " as a result of that examination " and the substitution in their place of the words " on considering the result of that examination, in conjunction with the officer's sick leave record ".

7.—(1) If, as a result of an examination by a Medical Referee made in accordance with paragraph (3) of Rule 13 of the Principal Rules, the Commissioners are of opinion that there is doubt whether the officer is of good health, they may offer him an opportunity to be examined by a Medical Board of three members appointed by them.

(2) Where an examination takes place in accordance with the foregoing paragraph of this Rule no fee in respect thereof shall be payable by the officer and the Ministry may appoint a special closing date for the purposes of these Rules.

(3) If, after the Commissioners have decided, as a result of an examination by a Medical Referee made in accordance with paragraph (3) of Rule 13 of the Principal Rules, that the officer is not of good health, the officer produces to them a report, containing a contrary opinion made by a physician or surgeon of consultant standing who had before him at the time he made the report a full statement of the officer's sick leave record, the Commissioners may offer the officer an

opportunity to be examined by a Medical Board constituted as provided in paragraph (1) of this Rule and for the purpose of enabling such examination to take place the Ministry may appoint a special closing date for the purposes of these Rules.

(4) When the officer elects to be examined by a Medical Board in accordance with the foregoing paragraph of this Rule he shall, prior to such examination, pay to the Commissioners in respect thereof a fee of £3 3s. 0d. (or such amount as may be prescribed by the Commissioners but not exceeding £3 3s. 0d). Any such fee paid by the officer shall be repaid to him if, as a result of the examination by the Medical Board, the Commissioners decide that he is of good health.

Sealed with the Official Seal of the Ministry of Finance for Northern Ireland this 16th day of July, 1947, in the presence of

(L.S.) *J. A. M'Keown,*
Second Secretary.
