EXPLANATORY NOTE

(This Note is not part of these Rules, but is intended to indicate their general purport.)

These Rules are supplemental to the Superannuation (Public Offices outside the United Kingdom) Rules, 1951, which applied the provisions of the Superannuation Act, 1949, with necessary modifications, to certain persons who have served both in the Civil Service and a public office outside the United Kingdom other than in the permanent Civil Service of a Colony within the meaning of the Pensions (Colonial Service) Act, 1887.

The 1951 Rules covered persons who receive separate pensions in respect of the different kinds of service, under Rule 9 of the Public Offices Rules of 1911. The present Rules extend the same arrangements to persons who, under Rule 2 of the 1911 Rules, receive a single pension the cost of which is apportioned between the different employing authorities.
