EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order is made under Section 42 of the Superannuation Act, 1949, which provides for increased superannuation benefits and earlier retirement where service has been in certain places abroad to be specified by the Treasury. The Order, whilst revoking certain Orders made under the Superannuation Act, 1876 (now repealed), declaring certain places to be "unhealthy" for the purposes of that Act, includes those places with full retrospective effect, and also certain additional places with effect from the dates specified in the Order.

The Superannuation (Teaching and Health Education) Rules, 1950

1950 No. 479

Made - - - -	28*th March*, 1950
Laid before Parliament	30*th March*, 1950
Coming into Operation	6*th April*, 1950

The Minister of Education with the consent of the Treasury in exercise of the powers conferred on him by Sections 2 and 15 of the Superannuation (Miscellaneous Provisions) Act, 1948(**a**), hereby makes the following rules:—

1.—(1) These rules may be cited as the Superannuation (Teaching and Health Education) Rules, 1950, and shall come into operation on the sixth day of April, 1950.

(2) The Interpretation Act, 1889(**b**), shall apply to the interpretation of these rules as it applies to the interpretation of an Act of Parliament.

(3) In these rules, unless the context otherwise requires:—

"the Act of 1925" means the Teachers (Superannuation) Act, 1925(**c**), as amended by any subsequent enactment;

"the Teachers Acts" means the Teachers (Superannuation) Acts, 1918 to 1946;

"contributory service" does not include service which is treated as contributory service under Section 13 (2) (*g*) of the Act of 1925 or service which, under the provisions of any scheme made under Section 21 (1) (*c*) of the Act of 1925, is treated in the same manner as service in Scotland which is approved external service under Section 13 of the Act of 1925 but subject thereto has the same meaning as it has under the Teachers Acts;

"Pension Fund" means the Central Council for Health Education Staff Pension Fund; and

"the Minister" means the Minister of Education.

2. These rules prescribe conditions as to the pensions payable to persons transferring from one of the following employments to the other of the following employments, that is to say employment in contributory service under the Teachers Acts and employment on the staff of the Central Council for Health Education.

(a) 11 & 12 Geo. 6. c. 33. (b) 52 & 53 Vict. c. 63. (c) 15 & 16 Geo. 5. c. 59.

3. Where a person ceases to be a contributor to the Pension Fund on or after the date of the coming into operation of these rules and becomes employed in contributory service under the Teachers Acts within a period of twelve months after so ceasing, then if the Minister receives from the Pension Fund an amount equal to the sum standing to that person's credit in the Pension Fund immediately before he ceased to be a contributor thereto, less any amount paid to that person by way of return of contributions on his ceasing to be a contributor thereto, that person shall be entitled to reckon as contributory service such period as the Treasury shall decide having regard to the sum so standing to that person's credit:

Provided that this rule shall not apply to any person unless within three months after becoming employed in contributory service or within six months after the date of the coming into operation of these rules, whichever is the later, he notifies the Minister in writing that he desires these rules to apply to him, furnishes the Minister with particulars of his previous superannuable employment and pays to the Minister an amount equal to any sum received from the Pension Fund by way of return of contributions on or after ceasing to hold his former employment.

4. Where a person who becomes employed in contributory service as mentioned in the last foregoing rule ceases to be employed in contributory service or dies, then, in computing the sum to which he or his legal personal representative shall be entitled under Section 12 of the Act of 1925, there shall be included a sum on account of contributions paid by him to the Pension Fund, and in computing the amount of the sum so included:—

(*a*) as respects the period ending immediately before the date on which he becomes or has become employed in contributory service, compound interest shall be calculated in the manner provided by the rules for the time being of the Pension Fund; and

(*b*) as respects the period beginning with that date, compound interest shall be calculated in accordance with the provisions of Section 12 of the Act of 1925.

5. Where a person who has been employed in contributory service becomes or has become employed in employment in respect of which he is a contributor to the Pension Fund, the Minister may treat the employment in respect of which he is such a contributor as approved external service for the purposes of Section 13 of the Act of 1925:

Provided that in the case of such a person, the provisions of Part II of the Act of 1925 as respects the calculation of average salary shall have effect as if the reference therein to contributory service did not include a reference to service which is treated as approved external service by virtue of this rule.

6. All sums received by the Minister under these rules shall be paid into the Exchequer.

Given under the Official Seal of the Minister of Education this 28th day of March, 1950.

(L.S.)

Geo. Tomlinson,
Minister of Education.

EXPLANATORY NOTE

(This Note is not part of the rules, but is intended to indicate their general purport.)

These rules are designed to enable service by a contributor to the Staff Pension Fund of the Central Council for Health Education, who transfers to contributory service under the Teachers Superannuation Acts, to be taken into account in the calculation of pension under those Acts subject to an appropriate payment by the Council to the Minister of Education. In transfers the other way the rules are designed to enable the service with the Central Council to be treated as approved external service, thus preserving the person's accrued rights under the Teachers Superannuation Acts.
