EXPLANATORY NOTE

(*This Note is not part of the Rules, but is intended to indicate their general purport.*)

These Rules add the Horserace Betting Levy Board, the National Institute for Research in Nuclear Science, the Central After-Care Association and various Discharged Prisoners' Aid Societies to the Schedule to the Superannuation (Transfers between the Civil Service and Public Boards) Rules 1950. The principal Rules provide for the aggregation of service and for a single superannuation award in cases where a person transfers from pensionable service with one of the bodies specified to an established post in the Civil Service or vice versa.

Under the powers of section 2(5) of the Superannuation (Miscellaneous Provisions) Act 1948, the Rules apply, subject to certain conditions, to persons who have transferred from one employment to the other before the coming into operation of the Rules.
