Made - - - -	*24th March*, 1950
Laid before Parliament	*28th March*, 1950
Coming into Operation	*1st April*, 1950

In the exercise of the powers conferred upon me by paragraph (10) of section 70 of the Education (Scotland) Act, 1946(a), and of all other powers enabling me in that behalf, I hereby make the following Regulations:—

Supplemental Allowances

1. Regulation 2 of the Supplemental Allowances (Scottish Scholars at English Universities) Regulations, 1949(b), shall be amended by the substitution of the following paragraphs for paragraphs (1), (2) and (4):

"(1) The Secretary of State may pay allowances from the Education (Scotland) Fund to or for behoof of persons ordinarily resident in Scotland being persons of high attainment and promise who are holders of approved university awards, for the purpose of enabling the said holders to take advantage, without hardship to themselves or their parents, of the educational facilities available to them at English Universities, provided that no such allowance shall be paid to a holder who began, before the academic year 1946-47, the course at an English University in respect of which the said award was made. An allowance shall, subject to the provisions of paragraphs (3) and (4) of this Regulation, continue to be paid throughout the period of tenure of the approved university award or, if in the opinion of the Secretary of State there are special circumstances affecting the holder, for such longer period as the Secretary of State considers appropriate."

"(2) The amount of any allowance under this Regulation shall be determined by the Secretary of State and may include—

(*a*) sums in respect of matriculation, tuition and other fees and university charges, and of books and apparatus,

(*b*) sums in respect of travelling expenses to and from the university,

(*c*) sums in respect of the cost of maintenance during the normal academic year including vacations,

(*d*) sums in respect of expenses involved in attendance, for the purposes of an approved course, at a distance from the university during periods when the holder would normally be in attendance at the university,

(*e*) a sum not exceeding £36 in respect of the cost of maintenance at the university during any additional periods of attendance at the university or at an approved vacation course which is accepted by the appropriate authorities of the university as being connected with the approved course being followed by the holder at the university,

(a) 9 & 10 Geo. 6. c. 72. (b) S.I. 1949 (No. 818) I, p. 1558.

(*f*) a sum not exceeding £15 in respect of the cost of travelling incurred through attendance at an organised course elsewhere than in Scotland, England or Wales which is accepted by the appropriate authorities of the university as being connected with the course being followed by the holder at the university.

In fixing the amount of the allowance the Secretary of State shall have regard to the value of the approved university award, to the amount of any other scholarship, bursary or award, to the contribution towards the expenses of attendance at the university, including the cost of travel under sub-paragraph (*f*) of this paragraph, which the holder and his parents can reasonably be expected to make without hardship and to any contribution towards the said expenses made by any relative or other person:

Provided that—

(i) the Secretary of State may disregard the amount of any personal gratuity or disability pension received or receivable by the holder in respect of service in the armed forces of the Crown, or in the merchant navy or mercantile marine, or, in the case of women, in any of the services specified in the First Schedule to the Reinstatement in Civil Employment Act, 1944(a), except in so far as he considers that the said gratuity or pension should be used to defray the cost of maintaining the holder during vacations; and

(ii) where the Secretary of State in the exercise of the powers conferred upon him by paragraph (1) of this Regulation extends the period for which an allowance is to be paid beyond the period of tenure of the approved university award, he shall not, in fixing the amount of the allowance for the extended period, be required to have regard to the amount of the approved university award previously paid."

" (4) Allowances may be paid in advance by instalments at such intervals and in respect of such periods as the Secretary of State may determine, and, after the first instalment, shall be dependent upon satisfactory attendance, conduct and progress."

Citation and commencement

2.—(1) These Regulations may be cited as the Supplemental Allowances (Scottish Scholars at English Universities) (Amendment No. 1) Regulations, 1950.

(2) These Regulations shall come into operation on 1st April, 1950.
