EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations further amend the Teachers (Education, Training and Registration) (Scotland) Regulations 1967 by making the following changes in requirements for admission to courses of training :—

1. A pass in statistics is accepted as an alternative to the pass hitherto required in mathematics or arithmetic.
2. From 1st August 1972 the number of passes on the Lower or Ordinary grade or at Ordinary level required of candidates seeking admission to a course leading to a Teaching Qualification (Secondary Education) in Physical Education is increased by one.
3. Candidates holding a Master's (Foreign-going) Certificate of Competency of the Board of Trade are no longer required to hold a pass in mathematics.
4. The degrees of the Open University are given the same recognition as degrees awarded by a Scottish university or by the Council for National Academic Awards.
