EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations take account of changes in the value of houses owned by education authorities and occupied by teachers, following on the first revaluation under the Valuation and Rating (Scotland) Act, 1956. The purpose of the Regulations is to change the definition of "Salary" so that the value of a teacher's house is no longer determined by reference to the gross annual value of the house.
