EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

These Rules remove the lower limit on the amount of annual superannuation allowance that a teacher may surrender to obtain a pension for a spouse or other dependant. They also secure (except in relation to equivalent pension benefits under the National Insurance Act 1959) that an allocation shall remain valid notwithstanding a subsequent alteration in a teacher's superannuation allowance which results in the amount allocated exceeding the permitted upper limits.
