EXPLANATORY NOTE

(This Note is not part of the Scheme, but is intended to indicate its general purport.)

The Schemes of 1928 and 1949 provided for contributory service as a teacher in Guernsey under the Guernsey Law of 1948 to be aggregated with contributory service in England and Wales under the Teachers (Superannuation) Acts, the cost of the resulting pension being divided between the two systems according to the division of the service. The purpose of this Scheme is to extend the reciprocal arrangements to service in Alderney which became pensionable under the Law of 1948 from 1st January, 1949. The Scheme is applicable retrospectively to service from that date under the powers of Section 9 (2) of the Superannuation (Miscellaneous Provisions) Act, 1948.
