EXPLANATORY NOTE

(*This Note is not part of the Rules, but is intended to indicate their general purport.*)

These Rules amend the Teachers Superannuation (National Service) Rules, 1949, which provide for the reckoning, in certain circumstances, of national service as pensionable service under the Teachers (Superannuation) Acts. The principal alterations are in the rates of contribution payable in respect of periods of national service, which are brought into line with the increased rates provided for by the Teachers (Superannuation) Act, 1956; and the references to the Teachers Superannuation (Accepted Schools) Scheme, 1948, are deleted, this Scheme having been superseded by the provisions of Section 15 of the *1956* Act and the Rules made thereunder.
