EXPLANATORY NOTE

(This Note does not form part of the Regulations, but is intended to indicate their general purport.)

These Regulations are made under section 4 of the Finance Act, 1947, as extended by section 1 (7) of the Finance Act, 1948, in order to meet the position occasioned by the further increase in tobacco duty imposed by the last-named Act.

The Principal Regulations were made under section 4 of the Finance Act, 1947, for the purpose of affording relief to old age pensioners from the burden of the heavy increase in the tobacco duty imposed by that Act.

Under the Principal Regulations the value of each token, one of which was available to every eligible old age pensioner each week, was two shillings, the balance of the cost of any tobacco or snuff purchased by the old age pensioner in any one week being borne by the pensioner. By Regulation 1 of the present Regulations the value of each token dated 13th September, 1948, or later is increased to two shillings and fourpence.

The provisions of the Principal Regulations, apart from the increase in value of the tokens, still govern the general position and are read as one with these Regulations.
