EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order brings into force for the area of the West Midlands as described in Schedule 1 to the Order the provisions of Part II of the Town and Country Planning Act 1971 which are set out in Schedule 2.

The provisions which are brought into force are the substantive provisions for the new development plan system of structure and local plans.

The provisions require a local planning authority to institute a survey, prepare a report of the survey and prepare and submit to the Secretary of State for his approval a structure plan for their area. The provisions also empower a local planning authority to prepare a local plan for any part of their area within the area of the structure plan.
