EXPLANATORY NOTE

(This Note is not part of these Regulations, but is intended to indicate their general purport.)

These regulations revoke regulations 6 and 7 of the Town and Country Planning (General) Regulations, 1948, the provisions of which are now superseded by the Third Schedule to the Caravan Sites and Control of Development Act, 1960. They also replace regulation 8 of those regulations by a new regulation, which reproduces the substance of the former regulation with the modification authorised by section 37 of the Act of 1960, enabling an owner to obtain under section 289 of the Public Health Act, 1936, as applied, rights against any other person interested in premises which are the subject of an enforcement notice or a notice under subsection (8) of section 30 or under section 33 of the Town and Country Planning Act, 1947.
