FINANCIAL AND ADMINISTRATIVE ARRANGEMENTS

Vesting of endowments

3. From and after the date of this scheme the endowments named and described in schedule 1 shall continue to be vested in and to be held by the Court, as the case may be, and shall, subject to the provisions of this scheme, continue to be held as separate endowments and shall be administered solely for the purposes with the powers and under the conditions and provisions of this scheme.

Establishment of funds

4.—(1) *(a)* The Court shall on 1st August next following the date of this scheme establish a fund by name of the "University of Dundee Combined Investment Fund", and shall transfer to the said fund the investments and any uninvested moneys representing the capital of the endowments specified in schedule 1.

(b) The capital of each of the endowments transferred shall be valued and the Court shall allot to each endowment one share of the Combined Investment Fund for each £1 of the value of the endowment as so valued.

(c) It shall be in the power of the Court to deduct from the income of the University of Dundee Combined Investment Fund a sum not exceeding five per centum of the said income to cover the expenses of administration of this scheme.

(d) The balance of the income of the University of Dundee Combined Investment Fund remaining after provision has been made for the expenses of administration under the last foregoing sub-paragraph shall be divided among the endowments having shares of the said fund in accordance with the number of shares allotted to each of the said endowments.

(2) *(a)* The Court shall establish a fund by name of the "Lapsed Scholarships Fund" the whole of which shall be held on revenue account and there shall be paid into the said fund that share of the Lapsed Bursaries Fund established in terms of section 2(1)*(a)* of the Scheme of 1961 which under the provisions of Schedule 6 of the Universities (Scotland) Act 1966(**a**) were transferred to the University of Dundee.

(b) The whole of the fund may be expended in accordance with the provisions of paragraph 30.

(c) Where there is no candidate for a scholarship to be awarded under this scheme who in the opinion of the Senatus is qualified to hold the scholarship or where a candidate to whom such a scholarship has been awarded does not begin the course for which the scholarship was awarded or where a scholarship is withdrawn from the holder, it shall be in the power of the Court to pay into the revenue of the Lapsed Scholarships Fund from the endowment from which the scholarship would have been paid the whole or part of the sum thus released.

(**a**) 1966 c. 13.

(3) Both the University of Dundee Combined Investment Fund and the Lapsed Scholarships Fund shall be held, administered and applied exclusively in accordance with the provisions of this scheme.

Additional endowments

5.—(1) Where the Court have before the date of this scheme accepted a gift or bequest of an endowment, or where after the date of this scheme they accept such a gift or bequest, it shall be in their power to resolve that the endowment (in this paragraph referred to as the "additional endowment") shall be held and administered under the provisions of this scheme relating to endowments of the type provided for in the governing instrument of the additional endowment, provided that such a resolution is not inconsistent with any provisions of the governing instrument of the additional endowment. The resolution may provide for the additional endowment to continue to be held as a separate fund or for its amalgamation with an appropriate endowment to which this scheme relates.

(2) Where the resolution provides for amalgamation the endowments concerned shall on the adoption of the resolution be amalgamated, and the name of the amalgamated endowment shall so far as appropriate incorporate the names of the endowments included in the amalgamation.

(3) Where an additional endowment is the subject of a resolution adopted under this paragraph the investments and any uninvested moneys representing the capital of the additional endowment shall be valued and be transferred to the University of Dundee Combined Investment Fund in exchange for shares of the Combined Investment Fund.

(4) Subject to the foregoing provisions of this paragraph, the additional endowment shall be held and administered in accordance with the provisions of its governing instrument and with the relevant provisions of this scheme.

Powers of investment

6. In regard to the investment of the funds constituted by this scheme or of additional endowments received in terms of paragraph 5, the Court shall have all powers competent to them under the common law of Scotland as a body corporate.

Valuation of property

7.—(1) Where property is being transferred to the University of Dundee Combined Investment Fund or shares in the said fund are being allotted or cancelled, estimates of values for the purposes of such transactions shall be made on the following bases:—

(a) in the case of securities quoted on a recognised Stock Exchange in the United Kingdom, the middle price of transactions quoted on the day before the transaction takes place (in this paragraph referred to as "the relevant day"), or if the Stock Exchanges are not open on the relevant day, the corresponding price on the last day before the relevant day on which the Exchanges were open, or if no transactions take place on the said last day on the nearest day before the relevant day on which transactions take place;

(b) in the case of heritable property or securities not quoted on a recognised Stock Exchange in the United Kingdom, the price which would in the opinion of a valuator or an accountant as the case may be, selected by the Court have been paid by a willing buyer to a willing seller on the relevant day; and

(c) in the case of other items, by such methods as appear to the Court to be appropriate.

(2) Where the value of the University of Dundee Combined Investment Fund or of an endowment being transferred to the said fund includes a fraction of £1, the said fraction shall be ignored if it is less than 50p and shall be reckoned as £1 if it is 50p or more.

Application of income

8. The Court shall in each financial year pay from the income of the funds constituted under this scheme the necessary expenses of management and the burdens and taxes affecting the funds and thereafter apply, as nearly as possible, the whole of the free income in paying the endowments to which this scheme relates.

Disposal of unappropriated income

9.—(1) If, at the end of any financial year, there is in any endowment a balance of income which has not been appropriated to the purposes of that endowment it shall be in the power of the Court—

(a) to carry the said balance or part thereof forward to form part of the revenue of that endowment in the following financial year; or

(b) to add the said balance or part thereof to the capital of that endowment; or

(c) in the case of scholarships, to pay the said balance or part thereof into the revenue of the Lapsed Scholarships Fund.

(2) Where the scholarships are conjoined under the last foregoing subparagraph the Court shall amalgamate the endowments from which the said scholarships have been paid. Where the payment of a scholarship which has been conjoined is not the sole purpose of an endowment the last foregoing sentence shall be construed as though for the reference to the endowment from

which the scholarship has been paid there were substituted a reference to so much of the capital of the said endowment as is necessary to provide the income from which the said scholarship has been paid. The name of each amalgamated endowment shall so far as appropriate include the names of the endowments included in the amalgamation.

Power to conjoin prizes

11. The last foregoing paragraph shall, with the necessary modifications, apply to the conjoining of prizes as it applies to the conjoining of scholarships.

(3) *(a)* The Senatus shall prescribe the dates, methods, conditions and subjects of and other matters connected with any examination held in terms of subparagraph (2) of this paragraph.

(b) The Court shall, after consultation with the Senatus, appoint examiners and prescribe their duties. The Court shall determine the remuneration of the examiners.

(4) The Senatus shall, subject to the provisions of this scheme, award the scholarships referred to in subparagraph (1) of this paragraph; provided, however, that if in the opinion of the Senatus there is in any year no candidate of sufficient attainment to merit the award of any scholarship, that scholarship shall not be awarded in that year.

(5) In awarding any scholarship the Senatus may take into account the financial need as well as academic merit of the candidates.

Payment of awards

13. It shall be in the power of the Court to pay the endowments to which this scheme relates in such instalments, at such periods, and subject to such conditions not being inconsistent with this scheme as may be prescribed by the Court.

Limitation of value of awards

14.—(1) The amount of any award under this scheme to a person who holds, or is to hold, a scholarship or other allowance which is paid out of moneys provided by Parliament or out of any fund aided by grants from Parliament shall not be such as may cause the said scholarship or other allowance to be reduced.

(2) The holder of any award or awards governed by this scheme shall, if required by the Senatus, furnish a statement of all other awards he holds. The Senatus shall have the right to adjust the value of any award made under this scheme to ensure that the combined annual value of all awards held by him shall not exceed such sum as the Senatus shall determine.

Withdrawal of scholarships

15. The Senatus shall require the holders of scholarships awarded under this scheme to satisfy the Senatus that they are making reasonable progress in their respective courses of study. If in the opinion of the Senatus any such holder has been guilty of serious misconduct or has failed to make reasonable progress, the Senatus may withdraw the scholarship permanently from the holder or suspend the holder temporarily from the benefits thereof for such a period as they think fit.

Committees

18. The Court and the Senatus may appoint such committees as they think fit and may include as members of any such committee persons, not being members of the Court or of the Senatus who, in their opinion, have special experience which is likely to be of value to the committee.

Delegation and reference of functions

19. It shall be in the power of the Court and of the Senatus by rules made under paragraph 16 or by resolution to delegate or refer to any committee appointed by them under the last foregoing paragraph any of their functions under this scheme other than the function of making rules.
