SCHEDULE

[New First and Second Schedules substituted for Schedule, *see* pp. 112–3 below.]

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the Utility Apparel (Infants' and Girls' Wear) (Manufacture and Supply) Order, 1948, as amended.

The principal changes are as follows:—

(1) A new Schedule (Schedule I.G.5) of infants' and girls' utility heavy outerwear and matching headwear is introduced; and Schedule I.G.2. is now completely superseded.

(2) The manufacturers' maximum prices for all infants' and girls' utility apparel are now based solely on the prices specified in Schedule I.G.3 (underwear and nightwear (including baby linen)), Schedule I.G.4 (light outerwear and non-matching headwear) and Schedule I.G.5 (heavy outerwear and matching headwear); prior to this Order maximum prices for heavy outerwear and matching headwear were still "cost plus" subject to the overriding maxima specified in Schedule I.G.2, as amended.
