EXPLANATORY NOTE.

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order consolidates the Orders amending the Utility Apparel (Maximum Prices and Charges) Order, 1949, which fixes wholesalers' and retailers' maximum prices for utility apparel.

It fixes wholesalers' and retailers' maximum prices for four new descriptions of women's utility seamless hose (specification numbers G4, G5, G6 and G7) and two new descriptions of women's utility ankle socks (specification numbers G8 and G9).

It provides that the principal Order shall no longer apply to utility fur apparel, for which maximum prices are now fixed by a separate Order (S.I. 1950 No. 1634).

It also brings into force Supplement No. 1 to Related Schedule No. 3G. That Related Schedule contains wholesalers' and retailers' overriding maximum prices for women's and maids' utility outerwear (other than knitted apparel and gloves); the changes effected by the introduction of the Supplement are indicated in the Explanatory Note issued therewith.
