EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the current Order relating to the manufacture and supply of women's and maids' utility outerwear.

The principal changes are as follows:

(1) Provision is made for the manufacture of overcoats, tailored costumes, tailored jackets and skirts from a number of wool cloths, indicated by an asterisk (*) in the Schedule, not previously specified for that purpose and maximum prices are provided for garments made from those cloths.

(2) Maximum prices for overcoats, tailored costumes, tailored jackets and skirts made from wool cloths and already included in the women's utility range are increased except for overcoats and tailored costumes made from cloth of the specification numbers 208, 208A and 209D, where the maximum prices are unchanged, and tailored jackets made from cloth of the specification numbers 208, 208A, 209D, 210E/2, 210F/1, 219/1, 219/2 and 219A/1, where the maximum prices are reduced.

(3) Maximum prices for breeches made from cotton cloths have been increased.

(4) The cotton cloths specified for dresses have been regrouped and the maximum prices of garments made from some of those cloths are higher than previously. Those cloths are indicated in the Schedule by a plus (+) sign.

(5) It is now provided that women's or maids' overcoats may be made with or without hoods; the hoods may be fixed or detachable, but in either case they must be made from the same cloth as the overcoat itself. The maximum price of an overcoat remains the same whether it is supplied with a hood or not.
