EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order supersedes the current Orders relating to the manufacture and supply of utility waterproofs.

The principal changes are as follows:—

(*a*) increased manufacturers' maximum prices are provided for most garments to which the Order applies;

(*b*) subsidised cotton cloths are no longer included in the Schedule;

(*c*) waterproof hoods have been added, as a separate item, to the utility range;

(*d*) the maximum prices specified for waterproof coats now apply to such garments whether with or without belts;

(*e*) the Order no longer specifies separate maximum prices on sales by retail, these prices are now to be computed by adding a percentage to the maximum prices on sales to retailers;

(*f*) the maximum prices which may be charged on all sales, otherwise than by retail, by manufacturers who do not conduct a regular selling organisation for supplying the retail trade are now the prices appropriate to sales to wholesalers.

The Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) Order, 1950

1950 No. 879

Made - - - -	*26th May*, 1950
Laid before Parliament	*30th May*, 1950
Coming into Operation	*7th June*, 1950

The Board of Trade in pursuance of the powers conferred upon them by Regulations 55 and 55AB of the Defence (General) Regulations, 1939, as having effect by virtue of the Supplies and Services (Transitional Powers) Act, 1945(**a**), as extended by the Supplies and Services (Extended Purposes) Act, 1947(**b**), hereby order as follows:—

1.—(1) A person may, in the course of his business, make up any garment of a type specified in the first column of Part I of the First Schedule hereto from utility goods being—

(*a*) any one cloth of a specification number included in the second column in relation to that garment;

(*b*) in the case of cotton or rayon dresses any two of the cloths referred to in relation to such garments respectively;

Provided that cloth of which the specification number is 1005/1 or 1005/2 shall not by virtue of this provision be used in combination with any cloth except the other of them.

(**a**) 9 & 10 Geo. 6. c. 10; and S.R. & O. 1945 (Nos. 1611 and 1618) II, pp. 39 and 48.
(**b**) 10 & 11 Geo. 6. c. 55.

Such a garment shall not comprise any other cloth except as provided in paragraphs (2) and (3) of this Article.

(2) A person who makes up any garment under the authority of paragraph (1) of this Article may incorporate in that garment (except as linings or interlinings) any other cloth (whether utility goods or not) to an area not exceeding 10 per cent. of the area of all the cloth incorporated (except as linings or interlinings) in that garment.

(3) A person may, in the course of his business, use as linings or interlinings of a garment of a description specified in Part I of the Schedule hereto (except a garment referred to in the first column as "unlined") all or any of the following:—

(*a*) any cloth not being utility goods;

(*b*) any cloth being utility goods of the specification number 231, 232 or 233; or

(*c*) any cloth being utility goods of a specification number included in any section headed "Linings" of Part I or Part III of Schedule NW3 to the Utility Woven Cloth (Cotton, Rayon and Linen) Order, 1950(**a**), as amended from time to time(**b**).

(4) Nothing in this Article shall authorize the making up of a dress, blouse, rayon dressing gown or rayon housecoat of which any measurement is less than the smallest corresponding measurement specified in relation to such a garment in the Second Schedule hereto unless it is made to measure, (that is to say, made up at the request of a customer to measurements given by him to the manufacturer and cut singly by a special order cutter).

(5) A person who under the authority of paragraph (1) of this Article makes up a dress, blouse, rayon dressing gown or rayon housecoat shall comply with the relevant provisions of the Second Schedule hereto, unless it is made to measure as defined in paragraph (4) of this Article.

2. A person shall not supply any garment of a description specified in Part I of the First Schedule hereto, being a garment manufactured by him whether before or after the commencement of this Order from cloth of a specification number (other than the specification number 237) included in the Schedule to any Order relating to the marking and supply of woven cloth (wool and animal fibre) made whether before or after the commencement of this Order by the Board of Trade, until he has applied thereto the letter "X". Such letter shall be not less than $\frac{1}{8}$ inch in height and shall be applied in such manner as to be plainly visible and either—

(i) by means of weaving or indelible printing, stamping or writing upon the label on which the specification number of the cloth appears, as a prefix to that number, or

(ii) by means of a stamp or writing in indelible ink upon the cloth of the garment, as a prefix to the specification number of the cloth.

3. A person shall sew on any dress, blouse, rayon dressing gown or rayon housecoat of a description specified in Part I of the First Schedule hereto manufactured by him, not being a garment made to measure as defined in paragraph (4) of Article 1 hereof, a label showing the size of that garment. The size shall be shown by means of the letters and figures by means of which that size is indicated in the Second Schedule hereto.

(**a**) S.I. 1950 No. 304, p. 368 below.

(**b**) The relevant amending Orders at the date of this Order are S.I. 1950 Nos. 450, p. 373 below, and 832, now revoked and replaced by S.I. 1951 No. 8.

4. Where a garment is made up from two body cloths under the authority of paragraph (1) (*b*) of Article 1 hereof, the specification number to be applied to the garment shall be—

(*a*) where the price specified in Part I of the First Schedule hereto in relation to such a garment made from one of those cloths is the same as the price so specified in relation to such a garment made from the other, that of the cloth of which the greater area is included (or that of either of the cloths if the same area of each is included); or

(*b*) in any other case, that relevant to the price of the garment under the provisions of paragraph (1) of Article 5 hereof.

5.—(1) A person shall not, in the course of his business, charge in respect of the sale of any garment of a description specified in Part I of the First Schedule hereto, manufactured by him whether before or after the commencement of this Order but supplied thereafter, a gross price exceeding—

(*a*) on a sale otherwise than by retail, the amount specified in that Part in relation to a garment of that description;

(*b*) on a sale by retail, the amount so specified and 33⅓ per cent. thereof;

Provided that, in the case of a cotton or rayon dress made up from two body cloths under the authority of paragraph (1) (*b*) of Article 1 hereof, the said amount shall be deemed to be—

(*a*) where the amount so specified in relation to such a garment made from one of those cloths is the same as the amount so specified in relation to such a garment made from the other, that amount;

(*b*) in any other case, the smaller of those amounts.

(2) A person who manufactures, wholly or mainly from goods owned by another person otherwise than in the course of his business, any garment of a description specified in Part I of the First Schedule hereto shall not charge in respect thereof a service charge exceeding the manufacturers' costs incurred by him in relation to that garment together with 5 per cent. thereof.

(3) The price charged by any person in respect of the sale (otherwise than by retail) of any garment of a description specified in Part I of the First Schedule hereto manufactured by him shall be reduced by an amount not less than 2½ per cent. of the gross price in any case in which payment for that garment is made or tendered before the tenth day of the month immediately succeeding that in which the garment was consigned by the seller to or to the order of the buyer.

(4) Any reference in this Article to an amount specified in Part I of the First Schedule hereto shall be deemed to be a reference to that amount with any appropriate modification specified in Part II of that Schedule.

6. A manufacturer who makes an alteration to a garment of a description specified in Part I of the First Schedule hereto, manufactured by him whether before or after the commencement of this Order, within three months of the first sale thereof (whether by him or any other person) to a retail customer shall not make a service charge exceeding—

(*a*) 1d., in the case of a garment which was made up at the request of the person to whom the manufacturer supplied it, to measurements given by that person to the manufacturer and which was cut singly by a special order cutter;

(*b*) 15s., in any other case.

7. Nothing in this Order shall prohibit the doing of anything under the authority of a licence granted by the Board of Trade hereunder and in accordance with any condition attached thereto.

8. Any reference in this Order to a specification number shall be deemed to include a reference to that number preceded by the letter "Z".

9.—(1) In this Order "gross price", in relation to the sale of any goods to which this Order applies, means the price before any deductions by way of discount have been made and includes delivery charges:

Provided that, in computing the gross price charged, no account shall be taken of costs paid or incurred in delivering those goods—

(*a*) on a sale by retail; or

(*b*) where the price of such goods or, if they are delivered in a parcel containing other goods, the price of that parcel (excluding purchase tax and delivery charges) does not exceed £2.

(2) The provisions of Articles 15 and 18 of the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947(**a**) (as amended from time to time), shall, so far as they are relevant, be incorporated with this Order.

10. The Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) Order, 1948(**b**), the Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) (Amendment) (No. 3) Order, 1948(**c**), the Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) (Amendment No. 5) Order, 1949(**d**), and the Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) (Amendment No. 6) Order, 1949(**e**), are hereby revoked:

Provided—

(*a*) that any current licence issued or having effect thereunder shall continue to have effect as if it were issued under this Order; and

(*b*) that the provisions of those Orders relating to the price at which goods may be sold shall continue in force in relation to the sale of garments the manufacture of which was authorized by those Orders but is not authorized by this Order.

11. This Order may be cited as the Utility Apparel (Women's and Maids' Outerwear) (Manufacture and Supply) Order, 1950, and shall come into operation on the 7th day of June, 1950.

Dated this 26th day of May, 1950.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport)

This Order supersedes the current Orders relating to the manufacture and supply of women's and maids' utility outerwear.

The principal changes are as follows:—

1. The use of a number of additional cloths is now permitted in the manufacture of certain garments. These cloths are marked with an asterisk.

2. Revised maximum prices are provided for certain garments, increases and decreases being indicated by "(+)" or "(−)" signs respectively.

3. The maximum prices for dresses manufactured from rayon cloths of the specification numbers 1005/2 and 1006/2 have been reduced, but the lower prices do not come into operation until 1st August, 1950.

4. The Second Schedule provides Tables of minimum measurements and minimum standards of manufacture for dresses, blouses, rayon dressing gowns and rayon housecoats; this Schedule is based on two Standards issued by the British Standards Institution, which were previously incorporated by reference.

5. Subsidized cotton cloths have now been omitted from the Schedule, and utility cotton cloths of the specification numbers X3043 and X3044 are no longer specified for the manufacture of dresses and blouses.

6. The price allowance for women's costumes (jackets untailored, unlined or part lined) to fit hips not less than 48 inches has been increased from 15 per cent. to 22½ per cent.

7. Two new items have been added to the range of women's and maids utility outerwear, viz. dressing gowns and housecoats made from heavy wool cloths and dressing gowns and housecoats made from rayon cloths.
