4.—(1) The maximum price to be charged on a sale of goods in the course of the business of a wholesaler, who, in respect of goods, conducts a regular selling organisation for supplying the retail trade or makers-up of apparel or manufacturers of furniture, and who carries, in a warehouse or other storage premises, stocks which are substantial in relation to his turnover, shall—

Retailer

5. The maximum price to be charged on a sale of goods in the course of the business of a retailer shall be the purchase price paid or agreed to be paid to the manufacturer or wholesaler by the first purchaser, being a retailer, and the appropriate percentage thereof specified in column 3 of Part I of the Second Schedule hereto.

Composite businesses

6.—(1) In relation to a business which, in respect of goods, consists of at least two of the following, namely, a manufacturing branch, a wholesale branch and a retail branch, in relation to which the prescribed conditions are fulfilled, each such branch may be treated as a wholly separate business, and

(*a*) the maximum price to be charged on a sale of goods by the wholesale branch shall be computed by adding to the wholesale cost either of the following : —

(i) an amount which is the appropriate percentage thereof specified in column 2 of Part I of the Second Schedule hereto, or

(ii) an amount which is the prescribed percentage thereof ;

(*b*) the maximum price to be charged on a sale of goods by the retail branch shall be computed in accordance with the provisions of Article 5, except that for the purchase price paid or agreed to be paid there shall be substituted the retail cost.

(2) In this Article—

" prescribed conditions " means—

(*a*) that separate records and books of account are kept in respect of the manufacturing branch, the wholesale branch and the retail branch of the business (as the case may be), including records showing the transfer of goods from one branch to another branch, and the amount at which such goods were transferred ; and

(*b*) that, where there is a wholesale branch of the business, there is maintained, in connection with that branch, a warehouse or other storage premises used for carrying stocks of the business which are substantial in relation to the turnover of that branch, and there is conducted, in connection with that branch, a regular selling organisation for supplying the retail trade ; and

(*c*) that a notice in writing in duplicate, signed by a person competent to do so, stating that the conditions set out in head (*a*) and, where applicable, in head (*b*) of this definition have been fulfilled, is forwarded to, and the duplicate of such notice has been returned by, the Secretary of the Central Price Regulation Committee:

Provided that if, in relation to goods, a notice in respect of the conditions so set out was so forwarded and the duplicate thereof returned before the date of the coming into operation of this Order, then such notice shall be deemed to be a compliance with the provisions of this head ;

" wholesale cost " means, in relation to a wholesale branch—

(*a*) in respect of goods purchased from a manufacturer or wholesaler, the purchase price paid or agreed to be paid to the manufacturer by the first purchaser,

(*b*) in respect of goods transferred to the wholesale branch by the manufacturing branch, the purchase price at which such goods were so transferred ;

" retail cost " means, in relation to a retail branch—

(*a*) in respect of goods purchased from a manufacturer or wholesaler, the purchase price paid or agreed to be paid to the manufacturer or wholesaler by the first purchaser, being a retailer,

(*b*) in respect of goods transferred to the retail branch by the manufacturing branch, the purchase price at which such goods were so transferred,

(*c*) in respect of goods transferred to the retail branch by the wholesale branch (being a branch in which the maximum price chargeable on a sale of all goods by that branch is computed by adding the prescribed percentage to the wholesale cost) the wholesale cost of the wholesale branch together with the prescribed percentage thereof,

(*d*) in respect of goods transferred to the retail branch by the wholesale branch (not being a branch referred to in head (*c*) of this definition) the wholesale cost of the wholesale branch ;

" prescribed percentage " means the percentage which bears to the appropriate percentage specified in column 2 of Part I of the Second Schedule hereto the same ratio as the wholesale cost of goods sold to retailers bears to the aggregate of the wholesale cost of—

(*a*) goods sold to retailers, and

(*b*) goods transferred to the retail branches,

during the six-monthly accounting period immediately preceding the day on which such goods were sold or transferred.

Rounding and discount

7. Notwithstanding anything in this Order—

(i) on a sale by retail—

(*a*) of any article of goods (not being cloth) the maximum price of which, computed in accordance with the foregoing provisions of this Order, does not exceed the sum of 5s., the maximum price shall be rounded to the nearest half-penny;

(*b*) of any article of goods (not being cloth) the maximum price of which, computed as aforesaid, exceeds the sum of 5s., the maximum price shall be rounded to the nearest penny;

(*c*) of goods (being cloth) the maximum price of which, per yard, computed in accordance with the foregoing provisions of this Order, does not exceed the sum of 5s., the maximum price per yard shall be rounded to the nearest half-penny;

(*d*) of goods (being cloth) the maximum price of which, per yard, computed as aforesaid, exceeds the sum of 5s., the maximum price per yard shall be rounded to the nearest penny;

(ii) the maximum price on a sale of goods otherwise than by retail, computed in accordance with the foregoing provisions of this Order, shall be reduced by an amount equal to 2½ per cent. thereof in any case in which payment for those goods is made or tendered before the tenth day in the month immediately succeeding that in which the goods were consigned by the seller to or to the order of the buyer.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order supersedes the Utility Cloth and Utility Household Textiles (Maximum Prices) Order, 1951, as amended.

The principal changes are:—

(1) wholesalers' and retailers' maximum prices for utility woven cloth containing wool or other animal fibre which have hitherto been fixed by the Utility Cloth and Utility Household Textiles (Maximum Prices) Order, 1951, are now fixed by the Utility Woven Cloth (Wool or Other Animal Fibre) (Distributors' Maximum Prices) Order, 1951 (S.I. 1951 No. 2282) which comes into operation on the same date as this Order; and

(2) wholesalers' and retailers' maximum prices for utility goods described in section C of Part I of the First Schedule to this Order, which have hitherto been computed by adding a percentage margin to the purchase price subject to overriding maximum prices, are now to be computed by reference to the cash maximum prices set out in that section.
