EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order provides that in the case of the garments included in the First Schedule hereto (which replaces Section 2 of the First Schedule to the Utility Overalls and Aprons (Manufacture and Supply) Order, 1948) the manufacturer's prices are maximum cash prices only instead of "cost plus" with overriding maximum prices as heretofore.

The maximum cash prices for men's and youths' industrial aprons (made from unsubsidised cotton cloths), and for other garments made from unsubsidised cotton cloths of the specification numbers X3110/2, X3112/1, X3112/2, X3112/3, X3115/1, X3115/2, X3116/4, X3116/5, X3116/6 and X3413, are higher than the previous overriding maximum prices for such garments. Some new cotton cloths (the specification numbers of which are printed in bold type) have been included for certain garments.

In the case of the garments included in Section 1 of the First Schedule to the principal Order, the manufacturer's maximum prices continue to be "cost plus" with overriding maximum prices.
