Where any such direction is given by the Ministry paragraph (1) shall have effect as if references therein to the school premises were references to such specified portion thereof.

(3) In this Regulation "relevant period" means in relation to any grant a period of fifty years from the date of the payment of the grant (or where the grant is payable by instalments from the date of the payment of the first instalment) or such lesser period as the Ministry may, having regard to the circumstances, direct (which lesser period shall be specified in the written document approved by the Ministry under Regulation 5(1)(*c*)).
