1959 No. 1686

The Wages Regulation (Boot and Shoe Repairing) Order, 1959

Made - - - - 29*th September*, 1959
Coming into Operation 19*th October*, 1959

Whereas the Minister of Labour and National Service (hereafter in this Order referred to as "the Minister") has received from the Boot and Shoe Repairing Wages Council (Great Britain) (hereafter in this Order referred to as "the Wages Council") the wages regulation proposals set out in the First and Second Schedules hereto;

Now, therefore, the Minister, by virtue of the powers conferred on him by section 11 of the Wages Councils Act, 1959(a), and of all other powers enabling him in that behalf, hereby makes the following Order:—

1. This Order may be cited as the Wages Regulation (Boot and Shoe Repairing) Order, 1959.

2.—(1) In this Order the expression "the specified date" means the 19th day of October, 1959, provided that where, as respects any worker who is paid wages at intervals not exceeding seven days, that date does not correspond with the beginning of the period for which the wages are paid, the expression "the specified date" means, as respects that worker, the beginning of the next such period following that date.

(2) The Interpretation Act, 1889(b), shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament and as if this Order and the Orders hereby revoked were Acts of Parliament.

3. The wages regulation proposals set out in the First and Second Schedules hereto shall have effect as from the specified date and as from that date the Wages Regulation (Boot and Shoe Repairing) Order, 1956(c) and the Wages Regulation (Boot and Shoe Repairing) (Amendment) Order, 1958(d), shall cease to have effect.

Signed by order of the Minister of Labour and National Service this 29th day of September, 1959.

L. N. Helsby,
Secretary,
Ministry of Labour and National Service.

SECOND SCHEDULE

Amendment of the Wages Regulation (Boot and Shoe Repairing) (Holidays) Order, 1956... 45

FIRST SCHEDULE

The following minimum remuneration shall be substituted for the statutory minimum remuneration fixed by the Wages Regulation (Boot and Shoe Repairing) Order, 1956 (Order D. (117)) as amended by the Wages Regulation (Boot and Shoe Repairing) (Amendment) Order, 1958 (Order D. (123)).

STATUTORY MINIMUM REMUNERATION

PART I

APPLICATION

1.—(1) Subject to the provisions of this Schedule, the minimum remuneration payable to a worker to whom this Schedule applies for all work except work to which a minimum overtime rate applies under Part VI of this Schedule is:—

(*a*) in the case of a time worker, the hourly general minimum time rate applicable to the worker under the provisions of this Schedule;

(*b*) in the case of a worker employed on piece work,

(i) where a general minimum piece rate applies under Part VIII of this Schedule, that piece rate;

(ii) where no general minimum piece rate applies, piece rates each of which would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the hourly general minimum time rate which would be applicable if the worker were a time worker:

Provided that where a guaranteed time rate is applicable to the worker under paragraph 3 or paragraph 5 and the worker's minimum remuneration calculated on a time work basis at the hourly guaranteed time rate exceeds the minimum remuneration calculated under the provisions of (*b*) of this sub-paragraph, the worker shall be paid at not less than the hourly guaranteed time rate.

(2) In this Schedule, the expressions " hourly general minimum time rate " and " hourly guaranteed time rate " mean respectively the general minimum time rate and the guaranteed time rate applicable to the worker under Part II, Part III or Part IV of this Schedule divided by 45 in the case of a worker aged 16 years or over and by 44 in the case of a worker aged under 16 years.

2.—(1) Subject to the provisions of sub-paragraph (2) of this paragraph, this Schedule applies to workers in relation to whom the Boot and Shoe Repairing Wages Council (Great Britain) operates, that is to say, workers employed in Great Britain in the circumstances specified in the Schedule to the Boot and Shoe Repairing Wages Council (Great Britain) (Variation) Order, 1948(a), namely:—

(i) all workers employed in Great Britain in a boot and shoe repairing undertaking as defined in sub-paragraph (3) of this paragraph on any of the following work:—

(*a*) the repairing, altering or dyeing of boots, shoes, slippers and all other similar kinds of footwear;

(*b*) the making of bespoke footwear;

(*c*) work incidental or ancillary to any of the above-mentioned operations;

(*d*) shop duties in connection with the above operations, including attending to customers and sale by retail of boot and shoe laces and materials and articles used in connection with the cleaning or repair of boots or shoes;

(*e*) collection or despatch in connection with the operations in (*a*) and (*b*) above, and work ancillary thereto;

(*f*) canvassing for boot or shoe repairs and the collection of accounts in connection with the undertaking;

(*g*) clerical or other office work in connection with the undertaking, including costing and the work of a cashier;

(ii) all outworkers employed by way of trade in Great Britain on any of the operations specified in (*a*), (*b*) or (*c*) of (i) above.

(2) Notwithstanding the provisions of sub-paragraph (1) of this paragraph, this Schedule does not apply:—

(i) to workers employed in any shop or in any department in a shop, being a shop or department which is wholly or mainly engaged in the sale by retail of footwear (including operations in connection with such sale), in respect of their employment:—

(*a*) on retail sales at such shop and operations incidental thereto; or

(*b*) on transport or clerical work relating to such sales; or

(ii) to workers employed in or in connection with a factory which is wholly or mainly engaged on the manufacture of leather footwear on a large scale, in respect of their employment:—

(*a*) on the making of bespoke footwear and work incidental or ancillary thereto; or

(*b*) on transport or clerical work relating to bespoke footwear; or

(iii) to workers who are persons registered as handicapped by disablement in pursuance of the Disabled Persons (Employment) Acts, 1944 and 1958, in respect of their employment by Remploy Limited.

(3) For the purpose of this Schedule a " boot and shoe repairing undertaking " means any undertaking or any part of an undertaking which is wholly or mainly engaged by way of trade on any of the following operations, including operations incidental or ancillary thereto, that is to say—

(i) the repairing of leather footwear;

(ii) the making of bespoke footwear:

Provided that as regards trainees who, under the Government Vocational Training Scheme for resettlement training, have been placed by the Ministry of Labour and National Service with, and are being trained by, an employer for a period of approved training, this Schedule shall not (subject to the condition that the requirements of the Training Scheme are complied with) apply during the period in respect of which the trainees are in receipt of allowances as provided under the Scheme.

PART V

CONDITIONS AS TO LEARNERS AND APPRENTICES

LEARNERS

9.—(1) The general minimum time rates specified in paragraph 7 apply only to a male or female learner in whose case the conditions following are fulfilled—

(*a*) if he is a learner to bespoke hand-sewn making, he shall be employed for not less than two-thirds of his time in learning the bespoke hand-sewn making branch of the trade and shall, during the whole or a substantial part of such time, receive adequate instruction in either (i) bespoke hand-sewn making, (ii) clicking, or (iii) clicking and closing of uppers for bespoke work;

(*b*) if he is a learner employed in a factory in which machinery driven by mechanical power is used for benching or finishing operations, he shall be employed, during the whole or a substantial part of his time, as a learner in the trade and shall receive, during such time, adequate instruction in a progressive manner in either—

(i) benching by hand and all operations of benching by machine which are carried out in the factory, or

(ii) benching by hand or machine and finishing by hand or machine, not less than one-third of the learner's time being spent in benching;

Provided that where the learner has been so employed for not less than three years he may be employed thereafter, in conjunction with a journeyworker finisher, as a learner to finishing by machine, and in such case the learner shall be employed for at least one-third of his time in learning the operations of edge trimming, edge setting and heel scouring;

(*c*) any other learner shall be employed, during the whole or a substantial part of his time, as a learner in the trade and shall receive during such time adequate instruction in a progressive manner in either—

(i) benching by hand, throughout the whole period of his employment, or

(ii) benching by hand and finishing by hand or machine, not less than one-third of the learner's time being spent in benching;

(*d*) in the establishment in which the learner is employed the proportion of learners to journeyworkers shall not exceed that of one learner to two journeyworkers:

Provided that one learner of each of the classes specified at (*a*), (*b*) or (*c*) of this sub-paragraph may be employed in an establishment in which only one journeyworker is employed on the operation or group of operations in which the learner is receiving instruction.

(2) For the purposes of sub-paragraph (1) of this paragraph,

(*a*) the " bespoke hand-sewn making branch of the trade " shall mean that branch in which workers are employed for not less than two-thirds of their time on bespoke hand-sewn making, clicking or closing of uppers or on one or more of such operations for bespoke work;

(*b*) the expression " journeyworker " shall, save as is hereinafter provided in this sub-paragraph, have the same meaning as in paragraph 3 (3);

(*c*) a worker aged under 21 years to whom a general minimum time rate specified in paragraph 6 applies shall not be reckoned as a learner, apprentice or journeyworker;

(*d*) where an employer himself performs the work of a journeyworker he shall be reckoned as a journeyworker.

(3) For the purposes of determining the proportion of learners to journeyworkers in accordance with condition (*d*) of sub-paragraph (1) of this paragraph,

(*a*) a casual absence of a journeyworker or a casual vacancy for a short period in the number of journeyworkers employed shall not be treated as a failure to comply with the said condition;

(*b*) an apprentice shall be reckoned as a learner notwithstanding that the general minimum rates set out in paragraph 7 do not apply to him.

APPRENTICES

10.—(1) The general minimum time rates specified in paragraph 8 apply only to a male or female apprentice employed under a contract of apprenticeship in writing in whose case the conditions following are fulfilled:—

(*a*) The apprentice shall be employed under a written contract of apprenticeship which has been duly executed and which contains the following provisions (which the Wages Council considers necessary for the effective instruction of the apprentice) or provisions substantially to the like effect and no provisions contrary thereto;

(i) A description of the section or sections of work in the trade to which the worker is apprenticed;

(ii) The date of the commencement of the apprenticeship and a provision for its continuance until the date on which the apprentice shall have completed five years apprenticeship or reached his 21st birthday whichever is the earlier;

(iii) A term that during the period of apprenticeship the employer will pay to the apprentice not less than the appropriate statutory minimum remuneration from time to time;

(iv) A covenant or agreement by the employer that, throughout the period of apprenticeship, he will keep the apprentice under his supervision and instruct the apprentice himself, or place him in the hands of one or more competent journeyworkers for instruction, so that in either case the apprentice shall receive throughout the period of apprenticeship and in a progressive manner effective instruction in the section or sections of work in the trade to which he is apprenticed;

(v) A covenant or agreement by the apprentice whereby, throughout the period of apprenticeship, he binds himself to the employer to learn the section or sections of work in the trade to which he is apprenticed;

(vi) A term, in the case of an apprentice who is apprenticed to the boot and shoe repairing section of work in the trade, that the employment of the apprentice on benching shall alternate regularly with his employment on finishing, so that not more than one-third of his time is spent on finishing operations;

(vii) A provision that, during the apprenticeship, the apprentice shall not be put on piece work and shall not be employed on any work to which any minimum overtime rate applies under Part VI of this Schedule.

(*b*) In the establishment in which the apprentice is employed the proportion of apprentices to journeyworkers in either branch of the trade shall not at any time exceed that of one apprentice to two journeyworkers:

Provided that

(i) one apprentice may be employed in each branch of the trade if only one journeyworker is employed in the same branch;

(ii) where an employer who works personally at the trade and does not employ a journeyworker has one apprentice who has completed at least four years' apprenticeship, he may employ a second apprentice during the last year of the apprenticeship of the first apprentice, and for the purpose of calculating the proportion of apprentices to journeyworkers the first apprentice shall not be taken into account.

(*c*) The apprentice shall be the holder of a certificate of registration as an apprentice issued by, or on behalf of, the Wages Council or shall have made application for such a certificate which has been duly acknowledged and is still under consideration:

Provided that the certification of an apprentice may be cancelled by the Wages Council if the other conditions of apprenticeship are not complied with.

(2) For the purpose of determining the proportion of apprentices to journeyworkers in accordance with condition (*b*) of the last preceding sub-paragraph,

(*a*) one of the said branches of the trade shall be that branch in which workers are employed for not less than two-thirds of their time on one or more of the operations of (i) bespoke hand-sewn making, (ii) hand-sewn repairing, (iii) clicking (cutting), and (iv) the closing of uppers for bespoke work, and the other branch shall be any other section of the trade;

(*b*) a casual absence of a journeyworker or a casual vacancy for a short period in the number of journeyworkers employed shall not be treated as a failure to comply with the said condition;

(*c*) where an employer himself performs the work of a journeyworker he shall be reckoned as a journeyworker;

(*d*) a learner shall be reckoned as an apprentice notwithstanding that the general minimum time rates set out in paragraph 8 do not apply to him;

(*e*) a worker aged under 21 years to whom a general minimum time rate specified in paragraph 6 applies shall not be reckoned as a learner, apprentice or journeyworker;

(*f*) save as aforesaid, the expression "journeyworker" shall have the same meaning as in paragraph 3 (3).

(3) Notwithstanding the foregoing provisions of this Schedule, where an employer employs a worker as a prospective apprentice for a probationary period not exceeding three months and the conditions of apprenticeship set out in sub-paragraph (1) of this paragraph, other than employment under a written contract of apprenticeship and certification by the Wages Council are fulfilled, the minimum remuneration payable to that worker during the said period shall be that applicable to an apprentice employed in accordance with the conditions specified in sub-paragraph (1) of this paragraph, and, in the event of the worker being continued thereafter at his employment as an apprentice, the said probationary period shall, for the purposes of this Schedule, be treated as part of the period of apprenticeship, whether or not it is included therein:

Provided that where the employer does not, on or before the last day of the said probationary period, enter into with the worker such a contract of apprenticeship as is mentioned in sub-paragraph (1) of this paragraph, the employer shall pay to the worker a sum equal to the difference between the minimum remuneration payable to him as a prospective apprentice and the amount that would have been payable to him had the provisions of this sub-paragraph not applied.

PART VI

OVERTIME AND WAITING TIME

MINIMUM OVERTIME RATES

11. Minimum overtime rates are payable to a worker to whom this Schedule applies as follows:—

(*a*) on any day other than a weekly short day, a Sunday or customary holiday,

(i) for the first 2 hours worked in excess of 9 hours	Time-and-a-quarter
(ii) thereafter	Time-and-a-half

Provided that where the employer normally requires attendance on five days only in the week, the foregoing minimum overtime rates of time-and-a-quarter and time-and-a-half shall be payable after 10 and 12 hours' work respectively.

(*b*) on a weekly short day, not being a customary holiday,

(i) for the first 2 hours worked in excess of 5 hours	Time-and-a-quarter
(ii) thereafter	Time-and-a-half

(*c*) on a Sunday or customary holiday,

for all time worked	Double time

(*d*) in any week, for all time worked in excess of 45 hours, exclusive of any time for which a minimum overtime rate is payable under the foregoing provisions of this paragraph,

(i) for the first 3 hours so worked ... ... Time-and-a-quarter

(ii) thereafter ... ... Time-and-a-half

12. In this Schedule

(1) the expressions " time-and-a-quarter ", " time-and-a-half " and " double time " mean respectively—

(*a*) in the case of a time worker, one and a quarter times, one and a half times and twice the hourly general minimum time rate otherwise applicable to the worker,

(*b*) in the case of a worker employed on piece work

(i) a time rate equal respectively to one quarter, one half and the whole of the hourly general minimum time rate which would be applicable to the worker if he were a time worker and a minimum overtime rate did not apply, and in addition thereto,

(ii) the minimum remuneration otherwise applicable to the worker under paragraph 1 (1) (*b*).

(2) the expression " customary holiday " means

(*a*) in England and Wales

(i) Christmas Day, Boxing Day, Good Friday, Easter Monday, Whit Monday, the first Monday in August and any day proclaimed as a public holiday or additional bank holiday, or

(ii) in the case of each of the first six named holidays, such other day (not being a weekly short day) as may be substituted therefor by the employer by a notice posted in the factory throughout the three weeks immediately preceding the holiday for which it is substituted;

(*b*) in Scotland

(i) New Year's Day, Good Friday, the local Spring holiday, the day observed as Victoria Day or Queen's Birthday, the local Autumn holiday, Christmas Day and any day proclaimed as a public holiday or additional bank holiday, or

(ii) in the case of each of the named holidays, such other day (not being a weekly short day) as may be substituted therefor by the employer by a notice posted in the factory throughout the three weeks immediately preceding the holiday for which it is substituted:

Provided that notification of days of holiday made by the employer for the purpose of Section 78 of the Factories Act, 1937(a), shall be treated for the purposes of this sub-paragraph as effective notice of substitution.

(3) the expression " weekly short day " means Saturday or (except where in the case of a woman or young person such substitution is unlawful) any week day other than a customary holiday substituted therefor by agreement in writing between the employer and the worker.

WAITING TIME

13.—(1) A worker is entitled to payment of the minimum remuneration specified in this Schedule for all time during which he is present on the premises of his employer, unless he is present thereon in any of the following circumstances:

(*a*) without the employer's consent, express or implied,

(a) 1 Edw. 8 & 1 Geo. 6. c. 67.

(*b*) for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform,

(*c*) by reason only of the fact that he is resident thereon,

(*d*) during normal meal times in a room or place in which no work is being done and he is not waiting for work to be given to him to perform.

(2) The minimum remuneration payable under sub-paragraph (1) of this paragraph to a piece worker when not engaged on piece work is that which would be applicable if he were a time worker.

PART VII

GUARANTEED REMUNERATION

GUARANTEED WEEKLY REMUNERATION

14.—(1) This paragraph applies to a worker (other than a casual worker) who ordinarily works for the employer for at least 36 hours weekly on work to which this Schedule applies.

(2) Notwithstanding anything in this Schedule contained, where in any week:—

(*a*) no remuneration is payable to the worker under the foregoing provisions of this Schedule or by way of holiday remuneration under any wages regulation order made by the Minister to give effect to the proposals of the Wages Council, or

(*b*) the total amount of any such remuneration is less than the guaranteed weekly remuneration provided for by this paragraph,

the minimum remuneration payable to that worker for that week in lieu of any amount aforesaid shall, subject to the provisions of this paragraph, be the guaranteed weekly remuneration.

(3) Subject to the provisions of the next following sub-paragraph the amount of the guaranteed weekly remuneration is as follows:—

(*a*) in the case of a worker who ordinarily works for the employer on work to which this Schedule applies for at least 45 hours weekly, 32 hours pay calculated at the general minimum time rate ordinarily applicable to the worker, or

(*b*) in the case of a worker who ordinarily works for the employer for less than 45 but not less than 36 hours weekly on such work, 32/45ths of the amount payable at the said rate for the hours ordinarily worked by the worker in a week for the employer on such work.

(4) Payment of the guaranteed weekly remuneration in any week is subject to the condition that the worker throughout the period of his ordinary employment in that week, excluding any day allowed to him as a holiday, is (*a*) capable of and available for work and (*b*) willing to perform such duties outside his normal occupation as the employer may reasonably require if his normal work is not available to him in the establishment in which he is employed

Provided that guaranteed weekly remuneration shall not cease to be payable to a worker in respect of any week by reason only of the fact that he is absent during any part of that week by reason of proved illness or with the consent of the employer but, in the case of any such absence (other than absence on a holiday with pay allowed under the provisions of a wages regulation order) the amount of the guaranteed weekly remuneration shall be reduced by the amount to which he would have been entitled under this Schedule as a time worker had he worked the number of hours ordinarily worked by him during the period of such absence in that week.

(5) If the employer is unable to provide the worker with work by reason of a strike, failure of supplies or any cause (other than shortage of work) outside the control of the employer, guaranteed weekly remuneration shall not be payable in respect of any week during which, or part of which, the employer is unable to provide work as aforesaid.

(6) The amount of the guaranteed weekly remuneration applicable to a piece worker shall be the sum to which he would be entitled if he were a time worker.

(7) In this paragraph the expression " week " means " pay week ".

GUARANTEED DAILY REMUNERATION FOR CASUAL WORKERS

15.—(1) Notwithstanding anything in this Schedule contained, where the time worked by a casual worker on work to which this Schedule applies is less than 5 hours on a weekly short day (not being a customary holiday) or 8 hours on any other day, he shall be treated for the purposes of this Schedule (except Part VI) as if he had worked on such work 5 and 8 hours respectively.

(2) A casual worker who, in accordance with his employer's instructions, reports on any day for work to which this Schedule applies, but does not perform any such work, shall be treated as if the provisions of sub-paragraph (1) of this paragraph applied in respect of that day.

(3) For the purposes of this paragraph:—

(*a*) A casual worker is a worker who undertakes short engagements on an hourly or a day to day basis.

(*b*) A piece worker shall be treated as though he were a time worker.

PART VIII

GENERAL MINIMUM PIECE RATES FOR MALE OR FEMALE WORKERS

16.—(1) The general minimum piece rates applicable to male or female workers employed on repairing are the piece rates set out in Part IX of this Schedule increased by *60 per cent.*

(2) The general minimum piece rates applicable to male or female workers employed on bespoke making are the piece rates set out in Part X of this Schedule increased by *60 per cent.*

PART IX

PIECE RATES FOR MALE OR FEMALE WORKERS EMPLOYED ON REPAIRING

A.—SOLES—COMPLETED WORK

17.—(1) Subject to the provisions of paragraph 19 and the provisions as to extras and reductions specified in paragraphs 20 to 29 inclusive, the piece rates for male or female workers employed on repairing soles (completed work) are set out in the following Table.

(2) " Benching throughout " means the performance by a single worker of all the separate operations of benching, the appropriate rates for which, in paragraph 43, amount to the appropriate rate for benching throughout, and includes in the case of riveted work the operations of riveting round soles by machine when the riveting machine is operated by the benchman but does not include the sewing or stitching of the new soles where the work is sewn or stitched.

(3) the piece rates for " benching throughout " shall be increased by 2d. per pair where nails have to be removed from full nailed or bradded work.

(4) The piece rates for " hand stitching (with square awl) " shall be increased by one-third when old stitches are taken out from welts before restitching.

31. As respects the work specified in paragraph 30:—

(i) If benching (other than hand sewing) is not completed by one worker, the piece rates specified in paragraph 1 (1) (*b*) (ii) apply.

(ii) The piece rates for benching are payable to the benchman whether his work includes or does not include the filing of heels, toe plates and metal tips.

(iii) The piece rates for benching heels do not apply to the removing of old heels and the fixing (including knifing up) of new readymade heels of pulp or leather. If the benchman performs these operations he shall be paid the piece rates specified in paragraph 1 (1) (*b*) (ii).

32. TOP PIECES CUT TO SHAPE AND SIZE

The piece rates for benching heels set out in paragraph 30 shall be reduced by ¼d. per pair where no knifing up is required before the top pieces are nailed or riveted round.

33. ATTACHING TOP PIECES IN TWO SEPARATE PIECES

(*a*) Where the only extra work involved is the additional riveting of the two separate pieces ... ... ¼d. per pair extra.

(*b*) Where, in addition to the riveting specified in (*a*) above, the worker has to cut or adjust the two separate pieces ... ... 1d. per pair extra.

34. OUTSIZES, HEEL OR HALF HEEL

For men's work over size 11, the piece rate provided in paragraph 30 for men's work size 6–11, and for ladies' work over size 8, the piece rate provided in paragraph 30 for ladies' work size 2–8 shall be payable respectively with the following additions:—

For benching (whether complete or in preparation for the riveting or slugging machine) ... ... ¼d. per pair.

For hand finishing ... ... ¼d. per pair.

35. NEW LIFTS AND PART LIFTS

(1) (*a*) New lifts—for each quarter of an inch or part thereof, 1d. per pair extra;

(*b*) Part lifts—where parts of heels have to be cut out to the depth of ½ inch or more for the purpose of levelling the heels, although complete new lifts may not be inserted, 1d. per pair extra.

(2) Where heels are stripped down to the seat piece, the piece rates for rebuilding heels and heeling (benching) set out in paragraph 65 shall apply.

36. QUARTER OR HALF TIPS

(1) (*a*) Inserted iron quarter or half-tips ... ... 1d. per pair extra.

(*b*) Inserted rubber tips:

(i) When solutioned ... ... 2d. per pair extra.

(ii) When not solutioned ... ... 1d. per pair extra.

(*c*) Where the top piece has a quarter rubber tip already attached when the top piece is given out:

(i) For solutioning on the quarter rubber tip in the process of fixing the top piece to the heel 1d. per pair extra.

(ii) For attaching any additional leather to the top piece to make up the difference between the thickness of the quarter rubber tip and the top piece ... ... ¼d. per pair extra.

(2) No extra is payable for affixing the top piece which has a quarter rubber tip already attached.

37. ELONGATED HEELS

Repairing elongated heels (where waists already filled in):

Men's (all sizes) and youths' (sizes 2 to 5½) ... 1¾d. per pair extra to the rates for benching.

All other sizes ... ... ¾d. per pair extra to the rates for benching.

38. LONG WORK—HEELING

(*a*) Repairing men's and youths' Napoleon, jockey or riding boots, long Wellingtons, short Wellingtons, field boots or sea boots which reach to the knee or above—

(i) Heeling or half heeling:
1d. per pair extra to the rates for benching;

(ii) Toe bits, side bits, underlays, and cross pieces or any of them:
1d. per pair extra to the rates for benching.

(*b*) Repairing ladies' long work—

(i) Heeling or half heeling:
½d. per pair extra to the rates for benching;

(ii) Heeling or half heeling when done together with toe bits, side bits, underlays, and cross pieces or any of them:
¾d. per pair extra to the rates for benching;

(iii) Toe bits, side bits, underlays, and cross pieces or any of them:
½d. per pair extra to the rates for benching.

39. TOE PIECES (SHAPED)

Shaped toe pieces (as defined in paragraph 84 (*c*)):
Hand sewn and benched, 3½d. per pair extra;
Riveted, 1d. per pair extra.

40. WOOD PEGGING BY HAND

Heeling, 1¾d. per pair extra to the rates for benching riveted work.

41. FINISHING (PART ONLY), EXCLUDING LEATHER SUBSTITUTES

Finishing edges only, bottoms not touched, 25 per cent. less.

42. FINISHING (PART ONLY), LEATHER SUBSTITUTES

Finishing edges only by hand 12½ per cent. less.

C.—PIECE RATES FOR SEPARATE OPERATIONS OF BENCHING SOLES

(33333) (2)

43.—(1) Subject to the provisions of paragraphs 44 and 45 and to the provisions as to extras set out in paragraphs 48 to 51, the piece rates for separate operations of benching soles set out in the following Table apply to male or female workers employed on repairing.

(2) If benching throughout (as defined in paragraph 17) is not performed by a single worker, the piece rates for any of the separate operations of benching specified in the said Table are the rates for the individual operations or, where more than one of these operations is performed by a single worker, the sum of the appropriate rates for the individual operations involved.

(iii) Finishing by hand (edges and heels only) ... ... 9½d. per pair.

PART XI

GENERAL

82.—(1) For each try on, or re-try on, outworkers shall be paid 1s. 4d. extra for one boot or shoe or pair of boots or shoes, and indoor workers, 8d. extra for one boot or shoe or pair of boots or shoes. These rates do not include bracing. Alterations (other than operations to which general minimum piece rates are applicable) are to be paid at the piece rates specified in paragraph 1 (1) (*b*) (ii).

(2) Scafe or similar soles, 2s. 6d. per pair extra to the rates for completed work set out in paragraphs 77, 78 and 79.

(3) The minimum rates of wages specified in this Schedule do not include the cost of grindery as defined in sub-paragraph 84 (*e*).

83. Rates per pair—where a piece rate is specified in this Schedule as a rate per pair one-half of such rate shall be payable where only one boot or shoe is involved.

DEFINITIONS

84. (*a*) " German seat " is a piece of butt leather sewn round the heel.

(*b*) " Inside corks " are extra insoles of cork which are made with the boot.

(*c*) " Shaped toe piece " is a toe piece that is larger than the ordinary toe bit and extends along the side up to the joint.

(*d*) " Underlays " are inserted and slotted toe bits or side bits.

(*e*) " Grindery " is all material apart from tools used by the worker in the making or repairing of leather footwear.

(*f*) " Box randed "—a box rand is a rand which is made from a piece of bend, butt, fore-end, shoulder or belly leather.

SECOND SCHEDULE

HOLIDAYS AND HOLIDAY REMUNERATION

The Wages Regulation (Boot and Shoe Repairing) (Holidays) Order, 1956(a) (Order D. (119)) shall have effect as if in the Schedule thereto there were added to sub-paragraph (1) of paragraph 10 (which relates to accrued holiday remuneration payable on termination of employment) the following provisos:—

" Provided that—

(*a*) no worker shall be entitled to the payment by his employer of accrued holiday remuneration if he is dismissed on the grounds of dishonesty and is so informed by the employer at the time of dismissal;

(*b*) where a worker is employed under a contract of service under which not less than one week's notice on either side is required to terminate the employment and the worker, without the consent of his employer, terminates his employment without having given not less than one week's notice or before one week has expired from the beginning of such notice, the amount of accrued holiday remuneration payable to the worker shall be the amount payable under the foregoing provisions of this paragraph less an amount equal to one day's holiday pay multiplied by the number of days constituting the worker's normal working week."

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order has effect from 19th October, 1959. The First Schedule sets out the statutory minimum remuneration payable in substitution for that fixed by the Wages Regulation (Boot and Shoe Repairing) Order, 1956 (Order D. (117)), as amended by the Wages Regulation (Boot and Shoe Repairing) (Amendment) Order, 1958 (Order D. (123)).

New provisions in the First Schedule are printed in italics.

The Second Schedule repeats without alteration the amendments to the Wages Regulation (Boot and Shoe Repairing) (Holidays) Order, 1956 (Order D. (119)), which were contained in Order D. (123).

Orders D. (117) and D. (123) are revoked.
